Pontoon To Hold 1st Vote Saturday

To Elect President, Clerk, Six Trustees For New Village

(Related Story on Page 32.)

Pontoon Beach residents will elect their first village officials Saturday with 18 candidates to be on the ballot for eight offices.

Polls will be open from 6 a.m. to 6 p.m. at the Long Lake Fire District station in Pontoon Beach. Voters will elect a village president, village clerk and six village trustees. Three of the trustees will be named to two-year terms. The other posts are for four years.

There are two candidates for mayor or president, two for clerk and 14 for trustee. A full slate of eight candidates is running on the Citizens' Representative Party. The others are running as independents.

Candidates for mayor are Thomas L. Stulorff (CRP), 3838 Lake drive, and Willard F. Hicks, 3869 Lake drive. Running for clerk are Edith Phillips (CRP), 3809 B street, and Mrs. Nancy A. Rosales, 4008 Lake drive.

CRP candidates for trustee are Lawrence M. Enos, 4155 Highway 111; Tony Jackson, 3884 Lake street; Lester "Doc" Johnson, 3853 Lake street; Otto O. Kreher, 3940 Lake street; Harold McBride, 4116 South drive; and Robert A. Springer, 3954 Lake street.

Independent candidates for trustee are Clarence A. Hudgins, 3848 B street; Amos Biderbach, 3979 Lake street; Raymond W. McCoy, 4100 South drive; Donald Ray McNew, 3685 B street; Chester E. Dean, 4204 East Lake drive; William D. Pates Jr., 4109 South drive; James C. Hutchins, 4180 Lake street; and Herschel Singleton, No. 1 Jones Park.

CRP election judges, appointed by County Judge Michael King, will be Mabel Kennerly, Edna Barron, Elmer H. Miller, Lloyd Miller, and Betty Zaruba.

Cremman Loses Leg In Canal Barge Accident

The leg of a riverboat employee was amputated Wednesday evening when a cable on a barge apparently snapped while the boat was headed north in the Chain of Rocks Canal.

It is Wirt Goodell, 42, whose address was listed as Alligator, Miss., and Helena, Ark., who was taken by ambulance to St. Elizabeth Hospital where he was in fair condition today.

The accident occurred just after the boat, the "Miss Bonnie," passed under the canal highway bridge. The skipper rushed to the canal lockmaster at about 6 p.m., requesting an ambulance. The boat then pulled up to the bank when the ambulance arrived 15 minutes later.

Public Urged To Seek State Ban On Sunday Sales

Requests by the public for a state Sunday store closing law were urged this week by the Associated Retailers and Civic Association and by Mrs. Betty Sheppard, secretary-treasurer of Retail Clerks Local 435.

Citizens are being asked to oppose Sunday selling by writing to State Sen. Paul Simon and State Representative Lloyd C. Harris, Ralph Smith and Leland Kennedy at the Illinois State Capitol Building in Springfield.

Noting current efforts to obtain a new Sunday closing law in Missouri, the Retailers said a similar need exists in Illinois. They went on record Tuesday to urge passage of a state law so that it will not be necessary competitively for all retail stores to operate on days of week.

Carp department stores in Illinois are conducting a similar campaign for a ban on Sunday opening, suggesting that only restaurant operation and drug sales be permitted.

A committee of the Quad-Cities Municipal Association is studying the issue and will submit a recommendation to the municipal group's April meeting.

RRs Seek To Fight Nameoki-Levee District Suit

Railroads want to make certain there will be a contest in the suit by Nameoki township against the East Side Levee & Sanitary District to test the constitutionality of a new law which forbids the district to sue general obligation bonds without a referendum.

The railroads, New York Central and Cleveland, Cincinnati, Chicago & St. Louis, filed petitions this week in St. Clair county circuit court to intervene as third parties.

An attorney representing them said the railroads have taxable property in Nameoki township and are anticipating that the suit will be of a "friendly nature" with no court battle.

"We aren't against sanitary sewers in the township, and we realize the need, but we think they can be financed with revenue bonds," the lawyer told the Press-Record. He pointed out that Supervisor Harry Briggs was on the levee district payroll for February.

The township contends it has paid taxes to the levee district and never received any benefits.

Undergo Surgery At St. Elizabeth Hospital

Recovering from surgery performed since Monday at St. Elizabeth Hospital are:

Harold Richardson, 601 North street; Dorothy Meattie, 1600 Maple street; Lorraine Dragoti, 2148 Washington avenue; George Warnicke, 509 East Chain of Rocks road; James Nash, 2593 Spaulding avenue; Amelia Okal, 2570 State street; Lowell Perigo, 1425 Seventh street; Madison; Kathryn Fink, 2555 Benton street; Walter Mayer, 2438 Missouri avenue; James Green, 2211 Ohio avenue; Charles Holden, 2444 Cleveland Blvd.; Alice Shelby, Loveley, Ill.

Munson In Fair Condition

Chester W. Munson, 2548 Cleveland Blvd., retired industrial engineer and former school board member, is in fair condition at St. Elizabeth Hospital where he has been a patient one week.

Bill Proposed To Re-Crete Lake State Park Group

(Special From Springfield)

A House bill to re-create the Horseshoe Lake Area Commission to make further investigation of facilities necessary for recreational purposes was introduced this week by Rep. Lloyd "Curly" Harris (D) Granite City.

The proposal, which also specifies the commission to ascertain the probable cost of the development as well as inquire into other matters pertaining to the use of the area, was sent to the House executive committee.

Membership of the commission would consist of 10 persons to be named by the governor, the Madison-St. Clair county area and two senators. The initial study commission was headed by Henry D. Karandjich, Granite City banker.

No Appropriation

No appropriation is provided in the bill. Harris said he expected the commission would pay its own expenses. He said a commission study would include inquiry into the probable number of people who would use the facility as well as the feasibility of making it a state park.

The commission would be required to report back to the legislature Feb. 1, 1965.

The original commission, authorized May 25, 1955, submitted its findings to the General Assembly in 1957, recommending that the area be returned to the state.

Hollis Fourth To File For GC School Board

Glen R. Hollis, 3320 Wabash avenue, filed yesterday for the Granite City school board. Board member Monroe Worthen and Ronald Dillard and George Withers filed previously. Two board positions are to be filled April 13, and petitions also have been obtained by Floyd Eaton and Virgil Kamdar.

Dr. Steve Geroff and William Schreiber, incumbents, and Mrs. Muriel Byrne have filed for two Madison school board posts. Michael Leatherman Jr. and Harold Seibert, incumbents, have filed for reelection. Voting will end at noon Saturday at the three school board offices.

AN ARMY CH-37B HELICOPTER demonstrated the mobility of the newly-designed maintenance shop yesterday at Granite City Army Depot by lifting one, carrying it away and bringing it back to the same spot. One man on the ground (with arms outstretched) handled the entire operation of attaching the load to the hovering craft and releasing it again. In foreground is an unidentified newsmen.

Attempt To Kill \$25,000 Fee Blocked By 2 Solons

May Result In New Engineering Proposals Being Sought By GC

An effort Monday night by Alderman Donald Pagny to extend the contract of a Granite City engineering firm for design of a sewage treatment plant and eliminate the extra \$25,000 fee to a Pittsburgh company was blocked by Aldermen Walter Nann and Steve Bosarich.

However, it did bring out a possible reversal as Alderman Frank Verzi, chairman of the Special Pollution Emergency Study committee said he would consider throwing out the fee if the contract—as yet unsigned. "We'll seek new proposals from seven, eight or 10 engineering firms," he remarked.

The treatment plant design contract was not on the agenda for Monday night's council session, and Alderman Pagny said he regretted that Mayor Davis was not in attendance.

"I'd like to know where we stand on the pollution plant," Pagny said. "There's a possibility there will be a big change in the council with the election, and I think the old council, which is more familiar with the program, should handle it—not new people."

No Headway—No Report

"We're not making any headway. There's no report from the special committee; so due to the lack of information, I make a motion that the mayor write to the engineer that the council entered into a contract with on April 7, 1960, and that it prepare plans for the pollution plant."

The motion was seconded by Alderman Paul Rutledge.

Nann immediately challenged the motion.

"We have a contract," he remarked, pointing out the council had voted 10-to-4 for Chester Engineers of Pittsburgh.

"That action was never rescinded, and we haven't passed anything else until it is rescinded," Nann stated.

He called upon Alderman Rufus LeMaster, who was president in the absence of Mayor Davis.

Police Called To Store When Monkey Escapes

(Picture on Page 4.)

"Mr. Woolley," an Old World woolly monkey from the Venetian East, caused a mild sensation among passers-by Tuesday night when he escaped from his cage at the J. J. Newberry store, 19th and State streets, and performed in the window.

The passer-by called the police who, in turn, called store manager John Rue.

The monkey has been out of his cage, but never at night. He is of a slow-moving, easily-tamed species that does not readily become excited.

Tuesday, he manipulated the fast fastener of his cage, opened the door and escaped into the street.

The animal is still at large.

Zoning Board For County Approved Following Debate

The Madison county board of supervisors approved appointment of five members to a county zoning board of appeals Wednesday at Edwardsville after defeating efforts to table the action and to amend the new zoning ordinance.

Named vice-chairman of the board was Howard Kaseberg, Nameoki township farmer, as a representative of the Madison County Farm Bureau. His term will be for two years.

Others on the board are Harry "Bake" of Troy, chairman, to a one-year term; Paul L. Worcester of Wood River, an contractor, to a three-year term; Marion J. Wilcox of Edwardsville, a civil engineer, to a four-year term; and Frank Harrellson of Godfrey township, to a five-year term. Tanke is a former member of the county board of supervisors from Jarvis township.

The appointments were forwarded to the county board for its approval by Gas Haller, chairman of the county legislative body. Haller was absent at the meeting as he recently was hospitalized with rheumatism.

The supervisors approved the appointments by a 28 to 15 vote after rural members attempted to change the makeup of the appeals board or to stall approval.

As constituted, the appeals board is comprised of two members from unincorporated areas, two from incorporated areas, and three from incorporated areas.

Lester Schoeck of St. Jacob township objected and moved that the appeals board be composed of at least four members from unincorporated areas.

Harold Landolt, who chaired the meeting in Haller's absence, and unincorporated debate swept across the floor.

"Mr. Woolley," zoning committee chairman, noted that the ordinance on zoning, which was adopted Feb. 20, provides for at least two members from unincorporated areas to serve on the board.

All Bids On University To Be Let This Year

3 Rounds Of Bidding On First 6 Buildings; Construction In May

University officials hope to award bids this year on all six major buildings in the first phase of development of the Southwest Illinois University campus, the Granite City Rotary club was told Tuesday by Dr. Clarence W. Stephens, vice-president.

Construction should start by early May on the library and a building housing general classrooms and faculty offices, he said, adding that bids will be sought soon after award on a general offices and service building and a science laboratory-faculty office building group. After construction contracts are awarded on them, bids will be sought for a university center and a communications building.

With \$25 million already authorized through the November 1960 state university bond issue and \$4,500,000 to be provided for the university center through a federal loan and revenue bond issue, another \$82 million investment would be necessary to accommodate the ultimate enrollment estimate of 16,000 to 18,000, Dr. Stephens said.

Seek Freshman Center

Noting that the university would be required by the state legislature to eliminate the Alton and East St. Louis centers at such time as sufficient facilities are provided on the central campus, he said the bluff area between the Quad-Cities and Edwardsville, the official added that he does not foresee this occurring in the immediate future.

"When the first phase of construction has been completed, we expect to have about 2000 students more than the 5000 that we will be able to take care of at the campus."

Conceding that there would be advantages of conducting all operations at a single site, the speaker told the gathering that use of all three locations is feasible through assigning some of the freshmen and sophomore students to Alton and East St. Louis. These generally would be students taking general courses who had not yet selected the specialty in which they would major, he explained.

Seek Outstanding Faculty

While establishment of the physical facilities is a major undertaking, it will be even more challenging to staff the university with distinguished educators and to provide sufficient research and teaching opportunities.

Dr. Stephens commented, asserting that a university cannot be greater than its faculty."

He listed present enrollment at 16,221, including some taking two or more courses, and said the faculty and administration totals 235, including 211 in class.

Compared to a 40% national average, 70% of the staff members hold doctorate degrees and efforts are being made to give all instructors opportunities for professional growth.

House Passes Bill To Divide Levee Board Membership

(Special From Springfield)

The House of Representatives passed a bill yesterday to divide membership of the Levee & Sanitary District board of trustees.

Madison county voters elect two Madison county residents and St. Clair county voters elect the remaining three.

The board had for several years had all five members living in St. Clair county, the larger of the two counties in which the district lies.

Under an amendment, the bill which has yet to clear the Senate, only Madison county residents qualify for the ballot in Madison county with voters in St. Clair county limited to residents of that county.

The measure was introduced by Rep. Lloyd "Curly" Harris (D) of Granite City, and Ralph E. F. Gorman (D) of Leland Kennedy (D), both of Alton.

Sen. Paul Simon (D), is to handle the bill in the Senate.

Cruse To Give Early Data On Assessments

Granite City Tax Assessor Von Dee Cruse said this week, he again will make available to property owners their new real estate assessment figures before they are entered in the official records.

"I did it in 1958, opening my office in the evenings and on Saturdays so property owners could determine if the valuation figure was fair, and I plan to do it during the current quadrennial re-assessment," Cruse said.

He added that the first section of the city will be completely revalued in another week or two and he then will announce the times his office will be open.

No Action Taken On Bid To Free Obscene Caller

No action is planned by either the Granite City police magistrate or police chief in behalf of Joseph Miller, 48, of East St. Louis, whose release from the county jail is sought by Sheriff Barney Fraundorf.

Miller was given the maximum sentence—six months in the county jail and a \$300 fine Oct. 18—when he pleaded guilty to a charge of illegal use of a telephone. He was responsible for hundreds of obscene telephone calls made to Granite City housewives and switchboard operators.

His arrest was the result of weeks of investigation by Granite City detectives. Police confiscated a grocery bag full of scraps of paper on which were written telephone numbers, many of them Granite City numbers. Forty-four obscene calls were placed to a single switchboard in one day here, police said.

Miller is partially blind and in poor physical condition. He was transferred to an Alton hospital from the county jail the day after his conviction. On Feb. 28, he was returned to the county jail.

Month To Serve

In a letter to Police Magistrate Gasparovic, the sheriff has requested a stay of the balance of the sentence, due to the man's poor physical condition. He has nearly a month to serve on the jail sentence but having failed to pay the \$300 fine will have to serve an additional two months.

Police Magistrate Gasparovic said today, "I do not plan to take any action on the request unless asked to do so by the state's attorney's office."

Police Chief Raymond Willard said he did not favor releasing Miller, either.

"I can appreciate that he is an inconvenience at the county jail," he said, "but I do not recommend releasing him to society at the present time."

"If he is sick he should be examined by a county doctor and placed under appropriate care."

"He got pretty vulgar on that telephone and could go right back to it," said Willard.

Heart Attack Fatal To Leonard Welch, 51

Leonard L. Welch, 51, was dead on arrival at St. Elizabeth Hospital at 3:45 p.m. Monday after suffering an apparent heart attack at the home of his son, James F. Welch, 2221 Missouri avenue.

Mr. Welch had arrived in Granite City Sunday morning from Salem, Mo., to make his home here. He had been ill with a heart ailment and complications for several years.

Mr. Welch was a former Granite City resident, making his home here before moving to Missouri about five years ago. He was a former A. O. Smith Corp. employee.

Survivors. In addition to his son James, include a son, Eugene, also of Granite City; two daughters, Misses Pauline and Bonnie Welch, Wichita, Kan.; three brothers, Robert, William and Arthur Welch, Fayette, Mo.; a sister, Mrs. Glenna Garwood, Salem, Mo.; his father, James Welch, Salem, Mo., and five grandchildren.

Funeral services were conducted today at a Granite City funeral home, with interment in Walnut Ridge Cemetery, Fayette, Mo.

An obituary notice appears elsewhere in this issue.

UPW Circles Meet Tuesday; Plan Series Of April Events

The monthly meetings of the circles of the United Presbyterian Women of First United Presbyterian church were held Tuesday.

"The Broken Covenant", chapter three of the Bible study book, "One People of God", was the study topic and Bible passages were taken from the writings of four of the Old Testament Prophets, Amos, Hosea, Isaiah and Jeremiah.

Circles Two and Five discussed material from "Rim of East Asia", the mission study book.

Junior Service Elects Mrs. Fitzpatrick

Mrs. Evelyn Morris, president of the Granite City Junior Service club, conducted a regular meeting Monday evening at the Granite City Trust and Savings Bank lounge, during which Mrs. Bernice Fitzpatrick was elected as the next president.

Mrs. Eva Burns reported that two school children have received eyeglasses and one child has received shoes. She also discussed several cases which must be confirmed before action can be taken.

Mrs. Mary Schaffner reported on a federated board meeting at her home March 16, noting that Mrs. Ruth Knecht was nominated as treasurer of the federation.

Miss Juanita Bell of the Trinity Community Concert Association gave a report and announced that Miss Helen Parsagian will be a captain in the coming membership drive. She mentioned they will need more workers, and anyone interested may contact her or Miss Parsagian.

Mrs. Dorothy Melkamp was named chairman to plan the help for elderly people the club helped at Christmas. Miss Bell will be her co-chairman. The help is to be distributed before Easter.

The club voted to donate \$400 to the Granite City Scholarship Foundation to be used as the foundation stipend.

Mrs. Thelma Jacobsen reported the installation dinner for new officers will be held April 11 at the Holiday Inn, and the officers and board members will be the hostesses. Probationary members, Mrs. Marilyn Decker, Candy Kawula and Mrs. Donna Hogan, will be inducted as regular members at this meeting.

Mrs. Morris appointed an auditing committee to have the books ready for the regular April meeting. Those named were Miss Flora Mae Lensing, Mrs. Dorothy Melkamp and Miss Juanita Bell.

The club voted to donate \$25 to the judo group at the YMCA to purchase robes for smaller members of the club. A final report on the style show, March 14 was given by Mrs. Jackie Spinks, Mrs. Margaret Kirchhoff, Mrs. Mary Schaffner and Mrs. Jean Ann Vrenick.

Applications of three prospective members were accepted. Those named were Mrs. Ashal, Mrs. Jo Ann Gauder and Mrs. Elizabeth Briggs. They will serve a six-month probationary period before becoming members.

The nominating committee presented its slate of candidates and the election was held. New officers for the coming year besides Mrs. Fitzpatrick will be Mrs. Kowar, first vice-president; Miss Parsagian, second vice-president; Mrs. Marabeth McConnell, secretary; Mrs. Peggy Komadin, corresponding secretary; and Mrs. Rena James and Miss Lensing, two-year terms as board members.

The next club meeting will be held April 15.

Shower Honors Miss Donna Minks

Miss Donna Lee Minkla, a spring bride-to-be, was honored this week at a shower party given by Mrs. Pauline Dierkes and Mrs. Marie Bronk, both of St. Louis, at the IOOF hall in Venice.

The wedding of Miss Minkla, a granddaughter of Mrs. Hilda Daubert, 1235 Klein street, Venice, and John Petras, whose parents are Mr. and Mrs. Joseph Petras, 1730 Maple street, will take place May 25.

A "wishing well" theme was used in the appointments and the gift packages were placed in a large well.

Prizes in the games were won by Misses Pat Delaney, Sallie and Sue Hartle, Charlene McIntyre, Mary Ann Holbrook, Kathy Brock, and Mesdames Sophie Meyer, Rose Rossner, Barbara Dierkes, Alice Schoech and Janice Schoech, all of St. Louis. Past, Present To Mingle In Madison Talent Show

Song and dance routines from the American past will be complemented with a show of present clothing styles at a Madison high school talent program April 5.

The show will be called "Swinging Through Years" and will cover a period of time from the early 1900's to 1963. To emphasize the various times and settings, different colored sketches will be used as background.

About 20 variety acts are planned, ranging from a monologue to a Charleston.

Included on the program will be soloists Russell Turner, Donna Douthitt, Elaine Russell, Linda Dwyer, Cindy Zahn, Bernice Svejda, Charlene Hurst and Mary K. Cohen.

The monologue will be by Margaret Champion, while Linda Rash and Leslie Sulo dance a swing tune. A piano solo will be performed by Donna Achor, with Mike Dillon, Richard Bright and John Novich to play as a dance band.

A vocal trio consisting of Donna Douthitt, Elaine Russell and Cindy Zahn also is included on the program. A modern jazz dance will be performed by Linda Gail, Gail Stagner, Diana Blattner, Sheila Oranovich and Paulette Vokosi.

"Kitchen Band" To Play

A "kitchen band" will consist of Gloria Browning, Phyllis Gady, Sharon Simmons, Diana Fox, Cathy Rejowski and Bill Johnson, and a skit will be presented by John Oki, Larry Lux, Tom Lubak, Dan Antonovich, Roy Cross, Tal Fisk and Terry Andrews.

The Charleston will be danced

National Mathematics Group Meeting Planned

More than 300 students from 65 colleges and universities throughout the U. S. are expected at Illinois State Normal University, Normal, April 8-9 for the national convention of Kappa Mu Epsilon, honorary mathematics fraternity.

The two-day conference will be the 14th biennial session of the scholastic honorary, which was founded in 1931. Delegates are coming from as far as New York and California, and from the northern to southern borders of the country.

Much of the program will center around student papers dealing with various mathematics subjects, including Pythagorean arithmetic, triangular coordinates, the use of probability in the disintegration of radio-active elements, solid fuel rocketry and non-Euclidean geometry.

Miss Jo Ann Jennings In Sorority Office

Miss Jo Ann Jennings, a junior at Washington University and daughter of Mr. and Mrs. Merf Jennings, 1725 State street, has been elected first vice-president of her sorority, Alpha Chi Omega. She also was selected recently to head the Freshman Advisory Service at the school.

Working with a summer staff, Miss Jennings will organize a program designed to acquaint incoming freshmen and transfer students with Washington U. and to answer their questions both during the summer and after their arrival on campus.

Other new officers are Bill Hayes, internal vice-president; Eric Robertson, treasurer; Larry Anderson, pledge-master; John Love, secretary; and Jim Nash, sergeant-at-arms.

Officers were installed by Earl Parsons, chapter advisor. Miss Mary Lewis, newly elected Spring Sweetheart, was hostess, with a snogasbord dinner preceding the installation.

Guests included Misses Judi Spurrier, Deane Hillen and Sharon Stroyoff, past sweethearts, and Charles Coelker, advisor, and Pete Condione, president, and Don Digriolano, internal vice-president of the Collinsville Roca chapter.

Retiring sergeant-at-arms John O'Dell received an award as outstanding member of the term. Digriolano was presented with a Founder's Plaque for following the installation, plans were discussed for a car wash Saturday at the Jet service station, and Johnson and Namokel roads. Tickets may be purchased in advance from any Roca member.

Application Deadline For Summer Program

April 1 is the deadline for application for a National Science Foundation summer training program at Southern Illinois University, with about 55 top high school students to be selected.

The summer program will be financed by a \$13,675 NSF grant. It will include a "package" of biological science subjects — plant ecology, microbiology, physiology, and animal ecology — as well as single courses in chemistry, mathematics and computers, physics, experimental psychology and anthropology.

Last year, more than 600 students from all over the nation applied for admission to the program. Participants are allowed to select two subjects and work in faculty research in one of them.

Trojans Lack Front Line Pitching But Have Seven Returning Lettermen

With one eye on the weather and the other on workmen getting the Madison high school diamond in playable shape, Trojan baseball coach Earl McCannan planned today to move his ballplayers outside for their first extensive pre-season workout.

"Our first game is two weeks away, but so far we've had no infield at all," he said. Batteries have been working outside when possible and in the MHS gym in bad weather.

The MHS diamond is scheduled to get a couple of loads of soil before the weekend, so the Trojans may have to revert to their on-the-grass pepper games and batting practice—at least until next week.

A 12-game Trojan schedule will begin at Dupu on April 1 and conclude on May 8 when Madison hosts Granite City. Ten of the Madison contests are with Midwestern Conference schools.

Mercer, Hearts To Begin Workouts Sunday Afternoon

Granite City's two Southwestern Illinois Inter-City Baseball league teams, Sacred Heart and Mercer Football Home, plan initial pre-season workouts Sunday at Wilson Park.

The Hearts will begin loosening up at 1 p.m. on Diamond No. 1, and Mercer will move in at 2:30.

Heart Manager Paul Schuler and Mercer Co-Managers Ollie Miller and Dick Portell said prospective players who were not members of the GC teams last season are welcome to try out with the clubs. Both teams plan Sunday afternoon workouts each weekend until the start of the season on April 21.

Warriors Schedule First Full Intra-Squad Contest Saturday At Wilson Park

Granite City's baseball Warriors will take to their home diamond in Wilson Park for the first time this year Saturday morning for a 10:30 intra-squad game.

Coach Joe Fedora said his club will get in nine full innings if possible. "We want to get a look at at least six pitchers on the varsity staff, and hope we have enough time so that each of them can throw three innings," he said.

Scheduled to work on opposite sides if time allows are lettermen chuckers Terry Kofahl, Bill Lierman, Charles Papp and Perry Teyon, plus staff pitcher John Love, Bennie Smith and Pat Harris.

Windy weather kept the Warriors indoors most of this week, and bunting practice got a thorough going over at the GCIS gym.

Nearly 100 Candidates

Almost 100 aspirants for the varsity or sophomore squads turned out this spring at Granite City, 62 of them on Don "Duke" Brumleve's second-year club, which also has plans for an outdoor practice period on Saturday.

"That's as many as we have turned out for football here," Fedora said. "I think you can give the park district a lot of credit for getting boys interested in baseball through its summer programs."

The Warriors must take advantage of every opportunity to work under game conditions, since their opener at Triad is only one week away.

"Our pitchers haven't worked off a mound yet, and that ball doesn't bounce off an infield the way it does off the gym floor or grass," Fedora said.

Illinois BPA Keglers Roll At Madison Bowl On Saturday Night

Madison Bowling Club hosts this Saturday's four-match session of the Southwestern Illinois BPA Classic league, with first-place (55-20) Fairmont Bowl of Collinsville rolling Schlitz Beer (43-35) of Bowland in the feature match at 7 p.m.

Second-place Adams Gordon Realty (50-31) of Centerville Tuochee lanes goes against Cahokia Bowl (39-59), Falsaff (43-33) of Alton Bowl Haven is matched with Millstadt Bowl (34-44) and MCB (21-57) takes to its home alleys against Shop City Bowl (38-40) of East St. Louis in other matches.

A power failure at Millstadt Bowl ended last week's competition in mid-session, but not before Adams Gordon had shut out leader Fairmont Bowl. Cahokia and Bowland Schlitz had split two games before the lights went out. The games will be made up at a later date.

Only 3 Track Lettermen At Madison High

The pickings are likely to be slim this spring for Madison school's track and field squad.

Coach Glen Pickering said today that the Trojans can count on only three returning lettermen. "And we don't have much in the way of underclassmen coming up," he added, "although I haven't really had a chance to look over since we've only been side one evening."

Madison will participate in the state meet this season, opening the campaign at home in a dual encounter with Mascoutah on April 2.

The lettermen available are Walt Cooper, a sprint specialist and member of the Trojans' 880 yard relay team; Lester White, who ran both the high and low hurdles and competed with the relay teams in 1962; and half-miler George Russell.

"We have 48 boys out," Pickering said, "but outside of the three lettermen most of them are freshmen and sophomores."

The Madison track schedule:

April 5—at Waterloo (tentative)

April 10—Dupu and Highland at Dupu

April 19—at Bethalto

April 23—at Foxana invitational

April 24—at Highland, h. 4

Driver Arrested After Madison Avenue Crash

Lurton Pulley, 40, of 2221 Nevada avenue was charged with driving while under the influence of alcohol after a collision at 8:35 p.m. Tuesday at Seventh street and Madison avenue, Madison.

Involved were the left rear of his southbound car and the right front fender of the westbound auto of Miss Judith Kisser, 16, of 1907 Harris street, Madison, who was making a left turn on to Madison avenue. Pulley posted his driver's license and was released until a hearing Saturday.

A&P Food Store Here Removes Canned Tuna

The A&P food store in Granite City has removed all of its own brand of canned tuna fish along with other A&P stores in the nation as a precautionary measure following the death of two Detroit housewives.

Edward Stone, manager of the local store, said laboratory tests are being conducted by four separate agencies to determine the actual cause of death. Canned tuna from a California packer was the suspected cause.

The suspected cans bore the code numbers "WY3Y2" and "118X" on the lids. None was shipped to this area, store officials said. Cause of the death of the two women was described as "botulism," a food poisoning caused by improperly canned foods.

Store Door Forced

A rear door was pried open Tuesday night at Gattings-Gardner Market, 2237 Illinois avenue, but nothing was taken from the store. It was reported to police Wednesday morning.

Keep At County Jail Higher Than At Home

It costs more to keep a prisoner in the Madison county jail than it does to provide for a patient in the county nursing home, according to quarterly reports submitted to the Madison County Board of Supervisors Wednesday at Edwardsville.

The jail kept a daily average of 39 prisoners at a cost of \$8.58 each, while the county home had an average of 59 patients at a cost of \$3.72 each.

The daily average cost of feeding a prisoner was \$1.57, compared to \$1.74 a year ago, while the cost per patient was \$1.03, compared to 95 cents a year ago.

Total cost of operating the nursing home for the three-month period ending Feb. 28 was \$30,295.46, and the total for the jail was \$30,483.81.

Peace United Lutheran To Erect First Of 3 Buildings

Ground-breaking ceremonies are planned early in May for the first unit of a new Peace United Evangelical Lutheran Church on Maryville road just outside Granite City.

Rev. Bodo H. Mehling, pastor, said church members have oversubscribed their building fund goal. Construction is expected to begin soon after the ground-breaking program.

The initial section of the planned new building will have a capacity of about 150 in the worship area, Rev. Mehling said. In addition, there will be space for Sunday School classes totaling about 100.

Sparks On Program At Fire District Meet

Marion Sparks, Mitchell, a member of the board of directors of the Illinois Association of Fire Protection Districts, will assist in a trustees' workshop at the association's 20th annual conference at Peoria Saturday.

The conference, to meet at Pere Marquette Hotel, will open with registration at 8:30 a.m. Saturday and will be concluded at noon Sunday. Guest speakers will include D. M. O'Brien, editor of "Fire Engineering" magazine.

Attending, in addition to Sparks, will be Chief Lee Paul, Assistant Chief Wilford Eberhart and President George Bugle. Mitchell volunteer fire department, and Charles Kennerly and John Karlechuk of the Long Lake department.

SCREENS & STORM INSERTS REPAIRED. GRANITE CITY GLASS, 18TH & EDISON.

The pastor said the church is to be built in three stages, with the first stage to be erected at a cost of approximately \$80,000. Second step will be a large sanctuary, with final stage construction to consist of educational space.

To be built on a 4.5-acre tract owned by the church, the new building will be of brick or natural stone construction. Architects are Keys & Hestrup, Chicago.

The Peace Lutheran Church was organized Dec. 4, 1960, and has 141 members. Rev. Mehling said. Services are now conducted in the basement of the parsonage, 3201 Erie drive.

Suicide Ruled In Donald Lindner Death

A verdict of suicide was returned Tuesday night by a coroner's jury investigating the March 10 death of Donald G. Lindner, 30, of 545 Fleming place Mitchell.

Deputy Coroner Henry Pieper, who conducted the inquest, said Lindner died of multiple skull fractures from a self-inflicted gunshot. He was shot once in the head with a 12-gauge shotgun. Accidental death was ruled in the March 11 traffic fatality of Holden O. Parkinson, 52, of 1915 Fourth street, Madison. Parkinson was killed when the auto in which he was riding was struck by another vehicle on U. S. 67a at the south edge of Madison.

MORE ABOUT

All Bids On University

(Continued from Page 1.)

elub, Dr. Stephens said bids on the six buildings are being divided into three units to aid in keeping costs as low as possible. It is believed helpful to have one group of awards known before the next bids are sought, he pointed out, adding that the initial round of bidding could have been started last November if there had been zoning at that time. First bids were sought immediately after adoption of county zoning.

Related projects, most of them not requiring as long of time to construct as the main buildings, were listed as heating facilities, a sewage treatment plant, water service, a utility reservoir, roadways, parking lots and site development.

Gym In Second Phase
A gymnasium and an exposition building, which would be built on high ground on the 2600-acre campus, would be included in the second construction phase. The estimated \$25 million has been requested.

Ridges extending outward from the core area of the university provide spacious ground for additional buildings, Dr. Stephens told the Rotarians.

Land has been allocated near the initial six structures for a religious center, cost of which would be borne by the faiths that would participate in its operation.

tion, he reported. A more definite announcement on this is expected soon.

The six buildings will surround a central mall. Discussing the first two, on which bids are due April 4, he said both will contain four floors, including the basements.

Some Floors Left As Shells
The top floor of the library will not be completed, being left as a shell for future use. Whether the top floor of the general classroom and faculty office building will be finished immediately will depend on the amount of base and alternate bids.

In the second round of construction, the top floor of the four-story general offices and service building will be left as a shell. In the science laboratory structure, the top and bottom floor of a three-story office wing will be left incomplete.

Both buildings in the third phase will be three floors in height. All of the communications unit is to be completed, but the top floor of the university center will be left for completion when more funds are available, Dr. Stephens related.

The center will be self-sustaining and will include a book store, cafeteria and such recreational facilities as bowling and billiards. All six structures have been designed so that they could be expanded. It was related.

Walls and utilities will be arranged for maximum flexibility, enabling most of the rooms and offices to be expanded or reduced in size at five-foot intervals. The science laboratory can be altered at ten-foot points. Areas have been tentatively

reserved for lakes, which would be created by erection of dams, recreation and physical education fields and possibly a stadium; faculty housing; dormitories for students; and apartments for graduate students, it was reported. Arboreums for biological science, a conservation research area and reservoirs also are included in the preliminary planning.

The faculty housing proposal, still indefinite, involves leasing ground for a \$1 a year to let not live at their homes and probably will have 1000 when the new campus is placed in use, Dr. Stephens related.

He said it becomes necessary to provide student housing when there is insufficient housing in nearby cities that meets university standards for safety, study opportunities, supervision and recreation. Schools usually find they will not need to establish student housing on campus, but it generally becomes necessary when related adding that the cost is self-liquidating due to the rental fees.

Dr. Stephens made these additional points:
Although December through mid-March is regarded as the best bidding period, construction projects received will be compared with university architects' estimates and with independent survey findings.

Prompt Action On Bids
Plans for the preceding university board action will take one to two weeks.

Laboratory, classroom and office space require 135 to 140 square feet per student, and related needs increase the recommended figure to 183 square feet.

Operating cost estimate is at least \$16 million for two years. Of the 2600-acre site, 1800 acres have been purchased so far.

Establishment of professional schools at the campus in the future will depend on the need, the availability of physical facilities and faculty, the amount of unused land and the presence of a "distinguished" university library.

There is a "good faculty" here and Dr. Stephens would not hesitate to enroll his daughter at the new campus.

Foundation Grants
Part of the cost of research programs that aid in attracting and retaining outstanding staff members is borne by grants from state and national agencies and foundations.

The speaker was introduced by C. E. Townsend, program chairman, who cited the university's educational, cultural and economic importance to this area. William Justin of Holly Trust and Chemical Corp. and Howard Wellman Jr. of Nestle Co. were welcomed as new Rotary members and Herbert Schermer was reinstated as a member.

Plans were made to participate in a traditional Mundy Thursday meeting of local service clubs, and President Gerald Broadway called attention to the annual Community Concert Association fund drive April 15-20.

Rudder Named State Section Lieutenant

C. Luther Rudder of Granite City is one of 11 supervisors in the Illinois automobile division investigation section to be re-designated "lieutenant" in an re-organization of that section. Each lieutenant will be in charge of a district, and will have more time for administrative procedures, according to Secretary of State Charles F. Carpenter, who announced the change yesterday.

Davis, not to recognize the motion.

20-Minute Debate
Then, after a 20-minute, round-robin debate, Nott called for action to be deferred. The second request for deferral was made by Basarich, halting the discussion.

Partney had requested the city continue with the firm of Shepard, Morgan & Schwaab, stressing the firm would carry out preliminary survey work under regular engineering fees rather than charge an extra \$25,000. The firm has offices directly across Edgemoor avenue from the city hall.

Alderman Edmund Bartosick, a member of the special committee, said he considered Shepard, Morgan & Schwaab to be an out-of-town firm with an office here. He added that he had been unable to get written confirmation from the SMS engineer, Edw. Juneau.

Juneau told the Press-Record after the council session that professionally the firm could not submit a written proposal while the city was negotiating with another firm.

Nott's contention the city had contract with Chester Engineers because action never rescinded was debunked by Alderman Mrs. Gabrielle Bettencourt.

Contract Never Approved
The contract motion never passed. It's a dead issue, he said, it would take someone on the prevailing side to bring it back," she stated.

Entering the debate, Alderman Ford Johnson said the (contract) plan was a necessity, and there was a "dead issue" to him. "There's a motion on the floor, bring it out."

Veseli said he would not vote on any other firm that evening. "If we can get a contract without a \$25,000 fee, I'm for it. But before I'd vote for Shepard, Morgan & Schwaab, I'd get engineering proposals for all the firms," Veseli said.

Shepard, Morgan & Schwaab say they'd do the job for the minimum fee. I'd like to know what the maximum fee is," Veseli continued. "We should hold this up until we get the answer or get new proposals from seven, eight or 10 engineering firms."

Basarich said he could not understand the need for such a rush. "All the citizens committee ever did was delay things. Now there's a rush."

Nott then called for deferment and was joined by Basarich.

Council adjourned.

Zoning Board For County

appeals board and stipulates that no two members shall be selected from the same township.

He also said that any amendment to the zoning ordinance would have to follow a hearing held by the board of appeals.

Debate On Motion
Joseph Carillo of Collinsville township said that the appointments be tabled until the next meeting, and William B. Webb Jr. of Granite City insisted that Carillo's motion was out of order.

After a recording of the proceedings was played back to determine which motions were in order, Gilbert Killinger of Collinsville township suggested the withdrawal of all motions, and let's start over.

May remarked that "it is highly desirable to form the appeals board now" as five to 10 cases are pending action. Melvin Stobbs of Alder township claimed that opponents were trying to "get around" the zoning ordinance by blocking formation of the board.

After another amendment to vote on the appointments individually was shouted down, State's Atty. Dick H. Mudge said that provisions of the statutes had been met in making the appointments, and Landolt called for the vote.

Copies To Be Sold
Copies of the new zoning ordinance will be made available to the public in pamphlet form at a cost of \$2 each. The Edinburgville Intelligence was awarded a contract to print 1000 copies at a low bid of \$750.

In other action the board: Awarded a contract to paint the exterior of the county home to A. S. Jenks & Son of Collinsville on a bid of \$1789, the lowest of five submitted.

Board a report that 112 county liquor licenses have been issued so far, with fees totaling \$35,700. Last year, 147 licenses were issued.

Filed a tuberculosis sanitarium report showing 33 patients as of Feb. 28, a decrease of four since Jan. 31. During the month, five patients were admitted, six were discharged and three died.

Received a report showing the county's motor fuel tax allotment for February at \$58,436.75.

Maecenas Club Has Guest Night

The Junior Maecenas club held a "guest night" Tuesday evening at the 300 room, Big Top Bowl.

Mrs. James Kelahan opened the evening with prayer. Mrs. Don Brumleve, president, introduced the special guests, Mrs. William P. Collins, president of the 22nd district; Mrs. Frederick Hobbeger, county officers' president; Mrs. Rex Niles, president of the Ladies' Cotier; Mrs. Henry George, president of the Lesch Literary club; Mrs. Wilford Cooley, president of the Namoki Women's club; and Mrs. Bill Terrell, president of the Junior Minerva club.

Mrs. Kelahan and Mrs. Victor Shanta, program co-chairmen, announced entertainers for the evening. First part was a play entitled "Yes Means No" by Howard Emmett Rogers, presented by the CYO group of St. Elizabeth Church and directed by Mrs. Edgar Neumann. Members of the cast were Jim Moran, Jim Witternengel, Sandy Smith, Judy Anderson and Ruby North.

The last part of the program was a film on bowling, shown by Sam Lucido.

Mrs. Earl Thompson, chairman of decorations, used a spray theme with a centerpiece of yellow spring flowers on the main table. Lighted yellow candles were placed on either side of the centerpiece.

The hostesses, Mesdames James DeWitt, Dale Brackett, Jim Corbin and John Peikari, served a dessert luncheon to the guests and the members, who included Mesdames William Drew, Jim Corbin, James Flaherty, William Brewer, Ernest Bickhaus and William Sage.

Next regular meeting will be held April 2 in the home of Mrs. William Sage, 2825 Grand avenue.

OPEN HOUSE PLANNED

AT ST. ELIZABETH
The St. Elizabeth Confraternity board held a monthly meeting Sunday morning, following the 8 o'clock Mass in the church meeting room. Reginald Mennerick, president, conducted the meeting.
The main topic discussed was plans for a coming event to be called "Good Will Sunday." The event will be an open house on the parish grounds at St. Elizabeth Catholic Church, Johnson and Pontoon roads.

There will be a guided tour of the church, school and new convent. The exact date and time will be announced later, and the public will be invited.

Board members present were Fr. John Franklin, who is in charge of the parish confraternity program; board chairman, Mrs. Lela Anderson; James Costello, Mrs. Joyce Ready and Roy Thebeau. Guests present were Mrs. Manning Alton Deany representative; Mrs. Ellen Watt, president of the Altar Society; George Puchs, president of the Holy Name Society; and Andrew Cary.

GIRL SCOUT TROOPS PLAN EASTER PROJECT

Senior Girl Scout Troop 224, sponsored by the Nameoki Presbyterian Church, held a regular meeting Tuesday evening at the church.

The scouts discussed their trip to Camp's store and their tour of St. Elizabeth Hospital.

Mrs. Shirley Brown was guest speaker and told the scouts of all the phases of work done by the River Bluff Council in this area.
At the next meeting, Mrs. Brown's unit, Troop 280, will be the guest of Troop 224, and the two troops will make Easter hats.
Refreshments were served by the leader, Mrs. Mary Stegle, to Lauren Stegle, Charlotte Weiss, Barbara Barton, Marilyn Bondegar, Marie Burgess, Nancy Benson, Janet Line, Jo Ann Ellberg, Debbie Lyle, Merle Willis, Christina Harris, Sodoma Brister and Barbara Meng.

St. John Lutheran Church To Mark Its 40th Year Sunday

St. John Lutheran Church, St. Clair and Dale avenues, will celebrate the 40th anniversary of the founding of the congregation on Sunday, March 24.

The worship service of praise and thanksgiving will take place at 10:15 a.m. with the local pastor, Rev. Samuel Boda, delivering a Scriptural message of "praise for the Lord's guidance and generous outpouring of blessings throughout the past four decades." Mrs. J. C. Cell will serve as organist.

Following the worship service, the congregation will assemble in the fellowship hall, beneath the sanctuary proper, for a church banquet. Master-of-ceremonies will be the chairman of the anniversary committee, O. T. Potter.

Founders To Speak

Potter will call on founders of the congregation to rise and to express words of challenge to the present generation.

Also on the program will be local Lutheran pastors, Rev. Arvin Twietmeyer and Rev. Alfred Bula, of the Concordia and Hope Lutheran churches.

Actual date of the founding of the congregation was March 18, 1923. Prior to the time that a house of worship was erected, members of the congregation met at the old Immanuel Lutheran Church, at 20th street and Grand avenue for worship.

Rev. Valo First Pastor

Lutheran pastors from St. Louis came to Granite City to lead the group in worship. First pastor to be called was Rev. Joseph Valo.

During his pastorate, the first church, a frame structure still standing at East 24th street and Bromley avenue, was built.

He served until 1925, when Pastor John Bajas accepted the call to serve as minister of the congregation. He served for 18 years, until 1943, when he accepted a call to serve at pastor in Chicago.

Pastor Joseph Fabry, now deceased, was called here in 1943. When he accepted a call to serve in Wisconsin, Pastor Boda was called in March, 1949. He has been serving the congregation for the past 14 years.

Building Four Years Old

The new church edifice on St. Clair at Dale, in contemporary architectural form, was dedi-

icated in September, 1953. The present number of baptized totals 412, of which 234 are confirmed communicant members.

President of the congregation is Joseph C. Cell; vice-president, Rudy Diak; secretary, Paul Hafner; treasurer, Joseph Azar; financial secretary, Quiller Hines; and financial trustee, Richard Link.

Living founders include John Kuhn and Joseph Cell, who is currently wintering near Orlando, Fla.

NFO Director To Speak At Home Tuesday Night

Madison County National Farmers' Organization will sponsor a spaghetti and meatball supper at 7:30 Tuesday at the Community Building in Home. The event is open to the public.

The speaker will be Allen Spurgeon, a National NFO director from St. James, Mo. He operates a grain and livestock farm and has been with NFO since shortly after its beginning in 1955.

COOLIDGE BOARD PLANS SALUTE TO GIRL SCOUTS

A monthly meeting of the executive board of the Coolidge Junior High School PTA was held Monday evening at the school.

Mrs. Lois Haynes, president, conducted the meeting and announced that the program for the next regular meeting will be a salute to the Girl Scouts' 51st anniversary. Girl Scout Troop 26 will present the opening ceremony and show a film entitled "A Mile High."

She also announced that any school board candidates will be invited to speak at the meeting next Monday evening.

The Coolidge girls' glee club will present several musical numbers, under the direction of Mrs. Pauline Frazier. There will be an election of officers at the meeting.

Those present were Mesdames Kathleen Tadlock, Dorothy Miller, Dorothy Hamilton, Elsie Rodell, Edith McGee, Olivia Kuneman and Elva Mae Spiceland, and Assistant Principal Frank Kraus, Homer Johnson and Lewis Sabin.

BROWNIES CELEBRATE SCOUTING BIRTHDAY

Brownie Troop 886, sponsored by the Nameoki PTA, held a regular meeting Tuesday afternoon at the school.

Valerie Miskelley, president, conducted a brief business meeting and asked Patty Sue Schaefer, Clark to give a report on the tree planting held at Wilson Park in honor of Mrs. Shirley Brown.

Following the meeting, the girls held a birthday party in honor of the 51st birthday of Girl Scouting. A St. Patrick's theme was carried out in the tablecloth and napkins.

The scouts practiced songs they were to sing at the Nameoki PTA meeting Tuesday evening. The meeting was brought to a close with the scouts giving "Taps."

Those present were Kathy Cowan, Jackie Arnold, Rosa Fry, Marsha Hileman, Carolyn Jannson, Connie Maxwell, Donna Robertson, Judy Sladky, Laura Meyer, Pamela Haeley, Terry Sue Rice, Kathy Richards, Elaine Riddle, Peggy Davis, Kris Ferguson and Audrey Lindsey. Mrs. Carol Davis and Mrs. Hazel Riedel, leaders, and Mrs. Hazel Ferguson, troop committee chairman.

The next regular meeting will be held at the school March 26.

GIRL SCOUT UNIT TO VISIT SPRINGFIELD

A regular meeting of Girl Scout Troop 157, sponsored by the Frohardt school PTA, was held Monday afternoon at the school.

Principal topic discussed was a proposed trip to Springfield and New Salem. The date has been changed to March 29 due to a bus schedule that could not be changed.

The troop will sponsor the trip and has asked Brownie Troop 288 to be its guests. The leaders are Mrs. Lois Haynes and Mrs. Pat Gerkin. The scouts will leave Frohardt school at 8 a.m. and return at 5:30 p.m.

The remainder of the meeting was spent by the leaders explaining the new program to the scouts. They also collected "hunny boxes" which will be sent to the Alton State Hospital before Easter, as gifts to the patients.

Mrs. Bailey reminded the girls they will attend a cooking class conducted at Illinois Power Co. by Miss Jo Leslie on each Monday in May. On the completion of this class, they will have earned cooking badges.

The scouts practiced giving a flag ceremony, to present at the Frohardt PTA meeting Tuesday evening. The meeting was brought to a close by the scouts giving "Taps."

Present were Linda Anderson,

ST. ELIZABETH CUBS PLAN SPRING EVENTS

St. Elizabeth Cub Pack 13 held its monthly meeting Tuesday evening, at the school. The opening ceremony was by Mrs. Frances Robbers den, D en Three, which led all in singing "My Country 'Tis of Thee."

Robert Turck, cubmaster, conducted the meeting and announced that it was the last meeting to be held this year.

The April meeting will be a skating party for the cub scouts at the local skating rink. The pack will furnish all with tickets, and the cub scouts are to get them from their den mothers.

The party is scheduled for April 25 from 7 to 9:30 p.m. The May gathering has not yet been planned; a date and place will be announced later.

Turck explained an attendance award and honor pennant that will be awarded at each meeting.

A financial report from September to March was submitted by Gene Fry. The cubmaster reported on a used clothing collection and announced that he wants to make a survey on family preparedness through civil defense. Should all the families in the pack be prepared to take care of themselves in emergency, the pack would be eligible for recognition from the scout office.

The next regular meeting will be held at the school on Mar. 26.

Card of Thanks 32
The family of MRS. GUSTAF PENDINGTON extend sincere thanks and appreciation to all those who in so many ways expressed sympathy and were so helpful during her illness and burial. Her kind friends and neighbors will be remembered. Special thanks to Rev. W. L. Showers and Sec. and Baptist Church, pulpitbearers, organizations to which she belonged, and Davis Funeral Home. 31-3-21

We wish to thank many friends and neighbors for their messages of sympathy, floral offerings and other kindnesses in our time of bereavement. Special thanks to the Rev. Dwain Hardin and the Pastor, Baptist Church. All these things will be remembered. 31-3-21

THE BRADSHAW FAMILY 32-3-21
We wish to express our sincere thanks to our friends, relatives, and neighbors for their expressions of sympathy and kindness extended to us during our recent bereavement. The loss of our dear wife and mother, ELLA YOUNG, we especially wish to thank Capt. Horn, Major Boozer of the Salvation Army for their words of comfort, the pastor, the organist, and soloist, Capt. Walker for the beautiful music. Mervin Funeral Home, those who sent flowers, those who served and contributed to the meals at home and church, those who called or assisted us in any way. 32-3-21

THE FAMILY OF ROSE SCHANK wishes to extend sincere thanks for messages of sympathy, acts of kindness, masses and floral offerings at the passing of their beloved mother, mother-in-law, sister and grandmother. Special thanks to Father McCarthy, the pallbearers and Lahey Funeral Home. 32-3-21

THE FAMILY OF THE LATE MRS. ALICE HEDMONGWAY wish to extend their heartfelt thanks and appreciation for the comforting remembrances and kind thoughts, by way of telegrams, flowers and cards. 32-3-21

We wish to express our heartfelt gratitude to friends, neighbors & relatives for their many acts of kindness, visits, floral offerings, memorial contributions and messages of sympathy in our sad news over the loss of our husband & father, ADOLPH SCHULZ. Our sincere thanks also to the pallbearers, to Rev. Surbey, the organist and Mrs. Surbey who rendered so beautifully two of Mr. Schulz's favorite hymns. 32-3-21

OTHERS HAVE PAID TO HAVE SEWERS CLEANED

To the Editor:
"City workers paid overtime to clean sewer at Nonn home." If this is true, why is it called "politics" when Harry McKinnon tells it and when Nonn objects to a city-paid employee carrying an opposition sticker? Please note only Nonn's and Hartney's names can use the privilege. Does Partin throw favors, too? We have lived in Granite City 53 years and have paid taxes for more than 40 years and want to know how one gets his sewer cleaned free.

Has the city ruling changed? I know a widow who had a stopped-up sewer that she did not ask the city to help open. When she hired outside help, it was opened and the city carried off the waste.

These newsmen want someone else to assume the responsibility. When Mr. Warfield says there is trouble in advertising and "after all, it is election time," he'd better state which is politics and which is true.

Show me how it is that city help on the basement sewer, get an okay without an alderman's name, and I will be your man. Nonn's street was paved and he got credit for it. I will have to look it up, but I'm here to tell you how 24th street was paved and Edwards street was paved. I can show you extra assessment taxes for the 24th street paving.

Lincoln avenue from the mill to 23rd street quickly had its name changed to Lee, and later got its paving through MPT, and we all helped. The city officials were careful not to pay Lee at the same time as Lincoln because a city official lived on it. Also, it was not a through street; most of the people used it for a parking lot for their cars.

ISSUE DESCRIBED AS DEMOCRACY VS. NONNISM

To the Editor:

"Democracy or Nonnism?" The Fifth Ward must decide April 2. Will it be government of the people, for the people and by the people? Or will it be Nonnism, by Nonn and for Nonn? My answer is democracy. I urge all to vote for Curtis Bliven, who is above reproach and is 100% for democracy. He has not demanded votes by harassment or pensioners. He has not gotten land lords to contribute to him with election if they do not remove opposition signs.

Neither does he encourage an unemployed man three days' work because he had opposition signs on his premises. In answer to Mr. Bliven's letter about all the good Nonn has done, drive down Harding, West 22nd, Roosevelt, and Morgan on a rainy morning and see the children wading in water on the sidewalks or walking in the center of the street.

I went to Mr. Warfield and he came out to see. He agreed the street should have been graded down, as it was much higher than the walks. But Nonn came by and said he would have it taken care of.

A crew came and for about a half block poured concrete of concrete over the old sidewalk. The children still waded in the water, but they says we've got good sidewalks. Mr. Ailes, look before you speak.

Do you work for a union company? Do you work for a union or are you a "free loader"? Everyone who belongs to a union and then votes for Nonn should be fined and fined and fined. He does not deserve to belong and enjoy the benefits the union provides.

Union members and all good citizens of the Fifth Ward, let's show the remainder of the city that we are not afraid to stand up for the right to good government, and rid ourselves of the Nonn regime.

SEWER WORK AT HOME DEPRIVED TAXPAYERS

To the Editor:

The West Side story—a question is being asked about Mr. Nonn. It is, "Who does he think he is?" What kind of a man is he?

These are good questions, but with not much of a thought, going by some of his tactics he's using to try to get re-elected, why is he trying so hard? What really are his reasons?

I heard the other day a person was told to take a Bliven sign from the house and re-elect him. Wife took it down, and he put it back up. Then, the landlord was contacted and made the man remove it.

We lost men and women in war fighting to keep this a free country. Don't let them down. You can help by voting April 2 and ridding our city of "yes men." In the Fifth Ward, you yourself of a person telling you what to do. Wake up and tell him to "get lost." What's he got you that makes you obey his demands?

You have a fine organization to help the people of the ward and city as a whole. If you have a problem, contact them. I'm sure they will be glad to help you. You can help yourself a lot by dropping Mr. Nonn and giving

Readers are invited to contribute to this column. Name and address must accompany each communication. If possible, if anonymity is requested, letters should be 250 words or less.

Mr. Bliven a chance to give the Fifth Ward and city back to the taxpayers.
In the Press we read where Nonn had city workers clean his home sewer, Warfield claims it's politics, due to the election. Why wasn't this brought up sooner? Was the person who said of Nonn? If they were paid for this, the taxpayers were deprived of tax money.

MRS. PENDELTON WAS CREDIT TO ENTIRE CITY

To the Editor:

The West Side is in mourning because we will have lost one of our friends, Mrs. Curtis Pendleton. She was dear to all of us, as she went about her business of reporting news from the west side with the Press-Record.

It was her delight to attend all the social affairs at both churches and to be a part of them. She always had her notebook handy to "get the facts."
Once she told me how she got her nickname "the West Side lady"; they called her that because she kept a pencil behind her ear. She was proud of this journalistic title and her job with the Press-Record.

She was one of the most active persons I have ever known. A familiar sight was to see this little woman walking to or from West Granite to downtown Granite City. Her feet were so small, she wore little girl shoes; yet they carried her everywhere.

We shall miss her because we loved her. A wonderful woman, she was an inspiration to all of us. She was a real friend, not only to the West Side but to the whole city.

CITIES CONVICTION OF ALDERMAN CANDIDATE

To the Editor:

Running for alderman in the Sixth Ward in Granite City is a man named Kenneth S. Harbarger. On March 5, 1954, he was convicted on a guilty plea as the result of a three-count indictment in the Southern District of Ohio, case number 845.

This conviction of interstate transportation of falsely made checks is a violation of Section 2314, Title 18, United States Code.
Mr. Harbarger served 18 months of a two-year sentence at the Federal Correctional Institution, Ashland, Ky., for a similar conviction. He was suspended, he was placed on probation in the Southern District of Ohio for a two-year period.

From Title 18, Crimes and Criminals, Section 2314, I quote: "Whoever with unlawful or fraudulent intent transports interstate or foreign commerce any falsely made, forged, altered, or counterfeited securities or obligations, shall be fined not more than \$10,000 or imprisoned not more than ten years, or both."

Is this man really capable of local weakness of mind? Although he has paid his debt to society, he has shown a definite weakness of mind in that where many would not have displayed this lack of moral fiber. We are in such need of candidates that we need to dig this deeply into the questionable bottom.

GLENVIEW RESIDENT

NONN HAS DEVOTED MUCH TIME TO AIDING PEOPLE

To the Editor:

Do you really know Walter Nonn? My own time and I have lived 20 years in the Fifth Ward, and no one has ever been more devoted to them than Walter Nonn.

Walter helped them look for a house, or find a job, or listed them to see if they were all right. Numerous others, he has done the same way, using his time.

Many I know Walter has helped get pensions, used his car, his gas, to take people in need to get help. Walter did not stop to get the job done.

Since we own property in the Fifth Ward, we have time and help on things such as alveys, street lights and streets.

Who is to build this lovely new home? Not out with the new subdivisions, but with the old subdivisions. In the Fifth Ward, he has fought tooth and toenail to keep the things that we need.

I believe in some of you who are writing these letters were to get personally acquainted with Walter Nonn, you would be so easily influenced on some of the things he is saying.

We know Walter Nonn is not to finish, and if the Fifth Ward wants to keep advancing, let's get out and re-elect him.

Tougher Approach Planned To Curb Voting Irregularities

Judging by the long list of steps taken by the Granite City school district to tighten up polling place procedures, it will be difficult to cast an ineligible vote in the April 13 balloting.

The stricter approach is understandable in the face of the violation of the law that took place a year ago. We hope there will be full adherence to the voting laws not only in the school board voting but in all of the elections to be held in this area during the coming month.

Voting irregularities strike at the very heart of democracy; there cannot be proper government unless the actual wishes of the electorate are translated accurately in the vote tabulations.

Another threat to our form of government—lack of participation in elections by those who are eligible—can be avoided with equal ease, if the public puts its mind to it.

Proposed Boost In Minimum Age For Driving Could Prove Ineffective

Proposed state legislation boosting the minimum driving age from 16 to 18 would bring about an abrupt, sweeping change and raises the question of whether the age should be increased at all. As Sen. Simon has noted, numerous violations of such a law could be expected.

The tradition of driving at the age of 16 has become well established and also fits in with the approximate age at which high school students take driver education courses. Youngsters now eagerly awaiting their next birthday to begin driving could hardly view a two-year postponement dispassionately.

While not the most cautious drivers, teenagers generally have adequate driving skills, and their reflexes are excellent. With proper training and with a realization of the tragic consequences of recklessness, they have a rightful place on the streets and highways.

Of course, until youths have perfected their driving ability, close parental supervision and control are advisable.

Summer Jobs Will Aid Students In Completing Their Education

Plans to hire 250 college students as vacation replacements at Granite City Steel Co. this summer, if the present business level continues, will be a great benefit to those students because the income to help finance their higher education.

Such work is not always offered in large quantity. The 250 proposed positions can add substantially to the total available in the Quad-City area this year.

The amazing thing about man's intelligence is his frequent failure to use it.

Who is responsible that a quarter-million dollars is going out of our city and state?

Who is responsible that \$30,000,000 worth of American God-given heritage of brotherly love, Stalin starved millions to death because they would not sacrifice their rights and property? We are under the same domination in Granite City?

Cheating, double-crossing, lying, and all the other things in political campaigns that wreck the friendships of long standing. I still possess the same methods. I still possess the same conscience.

ABILITY, NOT ELECTION FUNDS, MOST IMPORTANT

To the Editor:

Advocates Of Hillside Drainage Have Yet To Find A Local Revenue Source

Progress that the hillside drainage plan is making toward qualifying for \$3,680,000 in federal funds focuses new attention on the question of where the proposed \$3,160,000 local portion is to come from. Until this is resolved, the program seems stymied.

Approval already given by the district and division engineers, the Army's chief of engineers and the Board of Engineers for Rivers and Harbors, the project now awaits action by the Army secretary, federal budget bureau and Congress. In line with standard Corps of Engineers procedures, annual flood damage from bluff runoff water has been projected to show that a drainage facilities would pay for themselves over a span of a few years.

But this still leaves the question of local financing up in the air.

The East Side Levee and Sanitary District has agreed to be the sponsor, but levee trustees routinely disregard for local taxpayers, and the trustees' distaste for sound and economical procedures, hardly form the basis for public authorization of a huge new spending plan.

State funds also have been considered but have been denied so far to programs even more meaningful and helpful to Quad-Cityans, such as the development of a park and wildlife refuge at Horseshoe Lake. Local needs cannot continue to be ignored if there is any expectation of local financial support for programs helpful mainly to areas south of the Quad-Cities.

Opportunity To Thank Zoning Backers In April Elections

Madison county residents will get an early opportunity to express their thanks to the County Board members who opened the door to progress in this region by adopting zoning regulations last month.

Thirteen of the 27 who cast favorable votes are seeking re-election April 2, giving citizens a chance to endorse their statesmanlike action by backing them.

In future years, the approval of zoning seems sure to loom as a milestone that marked the start of a rapid move forward by Madison county. Those who earned a share of the credit include Assistant Supervisor William Webb and Robert O. Gaughan of Granite City and Claude Echols of Venice township; Supervisor Harry Briggs and Assistant Supervisor Charles Werner of Namekagon township; Supervisor Steven Kennedy and Assistant Supervisor Alton May, William Stobbs and Glenn Westerhold of Alto; Supervisor Fred Grenzbech and Assistant Supervisor Orvil Oglesby of Wood River; Supervisor Gilbert Killinger of Collinsville; and Assistant Supervisor William G. Straube of Edwardsville.

New Production Milestone At Local Auto Frame Plant

Five months of anything is a large number. Production of the five millionth automobile frame at the local A. O. Smith Corp. plant this week ranks as a significant achievement.

The parent company has turned out more than \$5,000,000 worth of automobile frames in the century, but the local manufacture of an average of 50,000 frames a month represents a sizable share of the total A. O. Smith frame production capacity.

Importance of the latest milestone is indicated by the arrival of officials of the firm from Milwaukee to participate in special ceremonies beginning yesterday. The gold frame symbolizes the substantiality of the plant's production. The plant has been making, in large quantity, steel frames that measure up to the highest standards of uniformity, strength and durability.

By voting for William McGee, who has no financial aid or political backing, but who does have the ability and desire to help the people of Granite City get better government.

TAXPAYERS' MONEY SPENT IN ALDERMAN'S BASEMENT

To the Editor:

Walter Nonn said at the council meeting some time ago that the wind did not carry money away. We finally found out that the wind did blow some of our tax money away.

There is \$12,291 for the sanitation work also that the wind is blowing away. For four men's work, but whichever way it is blowing I don't know.

As for Bill Warfield, he knew he wasn't supposed to open Nonn's basement sewer with the taxpayers' money. That is the reason why he had the city truck driven back to the garage so the people around would not know what was going on.

The cat is out; they cannot cool the public anymore. I hope the voters of Granite City will remember on election day and vote Nonn, Warfield and their "yes men."

WEBB, GAUGHAN DESERVE RE-ELECTION ON RECORDS

To the Editor:

In the heat of the aldermanic and supervisorial elections, I think another equally important election is almost being overlooked—the election for the assistant supervisors.

I think the caliber of the incumbents—those running for re-election—speaks for itself in this election. To our knowledge, no mud-slinging; there has been no criticism of their voting records on the city council.

To the contrary, there was praise in an issue of the Press-Record for the position they took on zoning.

SIDELIGHTS from SPRINGFIELD

By Sen. PAUL SIMON

RUMBLINGS ON A UNIVERSITY CAMPUS

Recently in the University of Illinois daily newspaper there were articles by students expressing concern about the education which they are receiving and about the general tone of the academic community.

While the university administration probably was not pleased with what was said, it is healthy thing for students to speak out frankly on what they see as campus needs.

Frequently they will be wrong, but occasionally they will be right.

When was a college student (and those years are starting to seem painfully distant), in retrospect it seems to me that frequently they were right.

Some of the strengths and weaknesses of our campus that did some of the administration.

Communicate With Students
How you establish communication with the students, and how you separate the serious observation from the youthful demand for the ridiculous, will always be administration problems.

But what bothers me about our campus community is not much this type of communication, but another for which you who are the public are responsible.

That is the tendency to create a mold for our college administration—both public and private universities—which says, "I respect you to build the campus, but I will increase enrollment, talk in polished phrases—and to say nothing on any public occasion."

Disinterest In Politics
United States college students are not alone among the world's college students in having little interest in politics.

There is a handful of students in college Young Republic Club, or in a Young Democrat Club, but the average student is not interested in politics. There is a football game between the Communists are advancing in Viet Nam and the United States.

It is a small wonder that students are not interested. Part of the responsibility goes back to the school.

Wrestlers Had Impressive Record; Failed To Establish Any New Ones

Wrestling Coach Bill Schmitt, as astute with pencil and paper when it comes to figuring statistics as he is at instructing members of his teams in the fine art of matmanship, said today that the 1962-63 Warriors failed to establish any new team or individual marks despite a slew of championships and an eighth-place finish in the state tournament.

Granite City did have the distinction of being one of the few high schools in the country to meet two eventual state champions during a 15-1 dual meet season.

The Warriors trimmed Missouri titlist Ritenour 38-8, and their only dual meet loss was to reigning Illinois champion Waukegan, 31-8.

Strong Representative They also continued as the strongest team representative from downstate Illinois, in meetings with both St. Louis and Illinois district schools and at Champaign, where an eighth-place tie with defending Illinois state champion Oak Lawn Reavis was the best showing made by a squad from south of Springfield.

Granite City's string of consecutive dual meet wins over downstate and St. Louis opponents swelled to 112 during the past campaign, as Warrior matmen compiled 252 wins against 95 losses and eight draws in individual bouts.

The team also ranks fifth among 198 schools in state tournament scoring since the new point system was introduced in 1956. Waukegan tops the list of state tournament scorers, followed by Proviso East, Reavis, Thornton and Granite City.

Team championships won by GCBS this past season were in its own holiday tournament, the Pekin quadrangular meet, the Southwestern Conference (6th straight), district meet (6th straight) and sectional (10th straight).

Those team marks are impressive (but not quite good enough to be claimed as statewide records). If GCBS's wrestling past continues unblemished, some of them may soon be.

McMillan Won 36 Individually in 1962-63, the top performer at GCBS was 112-1.

Schmitt Renamed To Advisory Committee

The Illinois High School Association has broken with precedent by renaming GCBS wrestling coach Bill Schmitt to another term on the IHSA's wrestling advisory committee.

Schmitt, who completed a five-year term as chairman of the committee this month, was elected to another five-year term and will probably serve as secretary. Previously, committee members have not succeeded themselves.

Paul Lapski, 65-pounder, recorded the greatest number of falls (16) and was second in points scored, 108.

Although only a sophomore, 103-pound Rich Bledsoe won the most titles in 1962-63, finishing first in holiday, quad, district and sectional tournaments and making the best showing at the state finals, where he was runner-up in his division. His tournament record was 17-1.

Lapski claims the quickest fall of the season—13 seconds.

16 Win Letters

Sixteen wrestlers have been selected as varsity letter winners by Schmitt.

Nameoki Little League Spring Meeting Mon.

Managers, officers and parents of boys who have played or wish to play in the Nameoki Little League are being invited to a meeting of the organization to be held Monday at 7:30 p.m. in the Nameoki school.

The meeting will deal with plans for spring tryouts, as well as the season schedule and activities. Boys eight through 13 years of age who live within the Little League boundaries are eligible to play.

A boy must not reach his 13th birthday before Aug. 1, in order to be able to play during the 1963 season, however.

Boundaries for the Nameoki program were extended last fall to include a residential section south and east of Johnson road to a line along St. Clair and Wilson avenues.

Women Of The Moose Aid Judo Program

Women of the Moose, Lodge 272, will co-sponsor the children's division of the fifth annual Invitational tournament to be held Saturday, March 30, at the YMCA.

In supporting the event, the Women of the Moose will be adding in a campaign to raise funds for the purchase of children's judo uniforms (judo gi). The organization has submitted a check to the Granite City Judo club as a contribution to the YMCA.

The judo club hopes to raise \$250 for the replacement of worn-out uniforms and the purchase of additional ones for the rapidly-growing children's division of the judo program. The funds must be imported from Tokyo, Japan, which is the world's headquarters for the sport of judo.

It is estimated that about 100 junior and intermediate contestants will take part. They will represent not only the Quad-Cities but clubs from St. Louis, Chicago and Gary.

Mitchell Kiwanis Club Plans Baseball Program

Plans are being made by the Mitchell Kiwanis Club to start a baseball team to play in the local youth baseball program.

Discussion was held Monday night on the matter at the weekly dinner meeting at Smith's cafe in Mitchell. It was decided a conference will be held as soon as it can be arranged to plan the program.

There was no program Monday. President Roy Green was in charge of the short business session. Nine members attended and one guest from the East St. Louis club, Harmon C. Alloway.

Bow Line-Kiwanis Club Boat Races On June 16

Outboard motorboat races sponsored by the Bow Line Boat club and the Granite City Kiwanis club will be held this year on Sunday, June 16, the two organizations said in a joint announcement this week.

The races are earlier this year than in previous years, but will be held at the same location, the Mississippi River at the mouth of the Hartford Canal adjacent to the Bow Line club property.

Juniors Will Form Nucleus Of GC's Track Squad; Opening Meet April 2

Parallel bars, rebound tumbling and still rings are more often associated with the sport of gymnastics, but until the weather improves they are occupying the attention of candidates for Granite City high school track and field squad.

The last time he counted track coach Ross Rosenthal had 12 lettermen and some 35 other aspirants getting in condition through use of the gymnasium equipment and some rather squishy laps around the perimeter of Wilson Park.

A predominantly sophomore group just learning the ropes in 1962—nine of the returning lettermen are juniors—the Warriors should show improvement with age in several categories this spring, Rosenthal feels.

Relay Races Return

Chief among them are the relay events. Three of the members of GC's victorious Southwestern Conference junior mile relay foursome are back this year, and the Warrior 880-yard quartet should also improve upon 1962 times.

Lettermen Bob Pyle, Dennis Petroff, Eric Robertson and Joe Nemeth will compete in one and possibly both of the baton-passing events this spring.

Field events, a weak point in recent seasons here, received a boost with the addition of Collinsville transfer Joe Hiles to GCBS.

Hiles qualified for the state meet in the discus last year at CHS, and will put the shot together with senior letterman Dennis Lile. Rosenthal looks for both weight men to reach 50-plus feet before the season is too old. Hiles is also listed as a possible starter in the sprint.

Juniors Will Form Nucleus Of GC's Track Squad; Opening Meet April 2

Parallel bars, rebound tumbling and still rings are more often associated with the sport of gymnastics, but until the weather improves they are occupying the attention of candidates for Granite City high school track and field squad.

The last time he counted track coach Ross Rosenthal had 12 lettermen and some 35 other aspirants getting in condition through use of the gymnasium equipment and some rather squishy laps around the perimeter of Wilson Park.

A predominantly sophomore group just learning the ropes in 1962—nine of the returning lettermen are juniors—the Warriors should show improvement with age in

Electrical Commission Named

Sappington Resigns As City Treasurer Effective April 30

With reluctance, Granite City council members accepted the resignation of City Treasurer Frank Sappington Monday night, and in other action involving city officers confirmed the appointment of a new Electrical Commission and retained Comptroller John Doherty as city agent for the Illinois Municipal Retirement Fund for 1963.

Sappington, who also is ex-officio tax collector for the township, will retire from the city post April 30, the end of the fiscal year.

He was elected two years ago and two years remain in his current term. He has served in the office for about 25 years.

A successor is to be appointed by Mayor Davis and confirmed by the council.

The first move after the letter from Treasurer Sappington was for it to be placed on file. However, a vote on acceptance or rejection was urged. It was accepted by a vote of 15-10 with Alderman Walter Nann dissenting.

Determined To Retire
Alderman Samuel Whitmer said he had talked to Sappington, and that the treasurer told him he is 77 years old and is set on retiring. "He's made up his mind this time, and I'm sure we can't talk him out of it."

Whitmer said Sappington had indicated he was dissatisfied with situations at the city hall but said he would not elaborate. Sappington has said he has been ignored by the officials in matters concerning finances of the city.

In his letter of resignation, Sappington gave no reason. He asked for immediate consideration in order to close his records by April 30.

Praise of Sappington's tax collection work in receiving 96% of local taxes at his office each year was voiced by Alderman Nann. The city receives a 2% commission on all taxes collected locally. "He'll be greatly missed," Nann remarked.

Sappington, who had submitted the letter to the mayor, was not present at the council session.

New Commission
The task of the new Electrical Commission will be to update the city's electrical code to conform with modern methods and materials.

The updating was recommended by the Federal Housing & Home Finance Agency when the Granite City Housing Authority applied for a \$20,000 federal planning grant to expand Anchorage Homes project for the elderly by a second 100 units.

Named to the new commission were: Edw. Branding, city electrical inspector; Wesley Lomas of R. Dron Electrical Co., representing electrical contractors; Carl Math, manager of Illinois Power Co., representing the utility; Fire Chief Elijah King, and Norman H. Rensing, 2134 Woodlawn avenue, an electrician representing the union, Electrical Workers Local 300.

Seeks Legislative Committee
Alderman Mrs. Gabrielle Bettine again called for the appointment of a council legislative committee to keep the council and Granite Cityans informed of legislation pending at Springfield which might involve the city and its residents.

The proposal was made several weeks ago, but no announcement has been made of appointments. Mayor Davis was present at Monday night's session.

Appointment of such a committee has been approved by the council, and Mrs. Bettine expressed her concern that no action has been taken.

"The mayor has the authority," Alderman Samuel Whitmer remarked. "Maybe we should shake him loose."

McBride, With Allergy, Plans 3-Month Leave
John McBride, vice-president and plant manager of Union Starch & Refining Co., plans to take a three-month leave of absence after Easter to correct an allergy condition.

He said he is allergic to pollen from new trees, "and this year it is pretty severe. The doctor directed a drier climate for 60 to 90 days and suggested Tucson or Phoenix, Ariz."

If he goes to Arizona, he will return here about every two weeks for further treatment, he said. During his absence, B. J. Hunter, director of manufacturing, will serve as acting plant manager.

GCHS June 1953 Class Plans Reunion In June
Plans are underway for a reunion of the June 1953 class of the Granite City high school. The affair will be held June 15 at The Smorgasbord.

Anyone knowing the whereabouts of the following graduates who have moved from this area may contact Mrs. Carolyn Williams Belling at 2429 Wilson avenue, or call TR 7-8191: Martha Bailey, Jim Betts, Helen Green, Daniel Hale, Lewis Kuhre, Richard Laird, Iva Lindsay, Lindell Lingle, Donald Wright, Alfred Livingston, Bill Miller, Betty Ross, June Schoenley, Thelma Shaver, Howard Sipes and Hazel Vaughn.

Lieutenant, U. S. Navy

Lawrence T. Hartman, 25, son of Mrs. Anna L. Hartman, 440 Lincoln avenue, Venice, was commissioned a lieutenant junior grade, U.S. Navy, at the Naval Officers Candidate School, Newport, R.I., in a recent ceremony.

He is a brother of Atty. Harry Hartman, local justice of the peace and Venice city and school attorney.

Following the luncheon meeting, the 150 representatives of local chambers of commerce from throughout the state attending visited the capitol, where the senate was in session.

Tuesday night, the Tri-Cities Alton and East St. Louis chambers hosted Sen. Paul Simon and Madison and St. Clair county representatives at an informal dinner. Tri-Cities C. of C. President Chester L. Baker and Mrs. St. Louis C. of C. President Robert Hackmann presided.

Twenty-six persons were present at the dinner, including Rep. Lloyd "Curly" Harris, Rep. Ralph T. Smith and Rep. Leland Kennedy.

Those from the Tri-Cities chamber attending the meetings, in addition to Baker, were Vice-President Carl E. Mathias, Stanley O. Schiemer, director, and Harlan D. Dobry, manager.

Pontoon Beach To Elect 1st President, Clerk, 6 Trustees On Saturday

Quantity, Quality Of Candidates Provide Voters With Wide Choice

Biographical sketches and some photographs of candidates in the first Pontoon Beach village election Saturday are published today in the Press-Record and Machine Workers Local as a public service to the voters.

Individual questionnaires were distributed to the candidates, with requests for pictures, but the response was only partial. Some of the candidates felt that they were sufficiently well known in the community. A few said they did not desire the publicity. But individual queries produced some biographical information on the candidates.

Eighteen candidates are seeking offices in the new village, including village president, clerk and six village trustees. A full slate of eight candidates are running as independent citizens' representative party. The polling place at the Long Lake Volunteer Fire Dept. will be open from 6 a.m. to 6 p.m.

Thomas L. Staicoff
Village President
Citizens' Representative Party
Thomas L. Staicoff, 28, of 3856 Lake drive, is the real estate sales manager for the L. Wolf Co.

He is a 1952 graduate of Madison high school, served in the Army and attended Southern Illinois University for a year and a half where he worked with the Boys' Clubs of America "in an effort to promote juvenile delinquency."

He is active in Long Lake Avenue Post 187 and served as public relations officer for the 1962 cancer drive in the Quad-Cities. "Being a property owner in the newly created village, I am deeply concerned about the potential danger of any increase in taxes. Since there are many young families (as my own), senior citizens, families on relief and families in lower income brackets in the village, any increase in taxes would place a heavy burden on them. I shall make a sincere effort to limit this tax burden at a minimum."

Willard F. Hicks
Village President
Independent
Willard F. Hicks, 45, of 3868 Lake drive, is employed as a

machinist at Emerson Electric Co. in Washington Park and is vice-president of the International Union of Electrical, Radio and Machine Workers Local 1102.

He served one term as National Township clerk and has been a precinct committeeman and Democratic district chairman in the township.

He is a graduate of Madison high school and Wood River high school and took extension courses in business administration and mathematics while serving in the Navy.

He served four years in the Navy during world war II, including three years in the Pacific, and became a chief machinist mate. He is a member of the Disabled American Veterans, Veterans of Foreign Wars and a member of the Armvets and has been active in the Boy Scouts.

"I feel that since I was instrumental in incorporating the area it would behoove me to run for this office without pay. I hope to establish the initial government, and I've had enough previous experience."

Edison Phelps
Village Clerk
Citizens' Representative Party

Edison Phelps, 48, of 3809 S. 3533 Lake street, is a maintenance welder for Granite City Steel Co. He attended high school for one and a half years and received various courses in labor relations and others pertaining to organizations.

He served for eight years as a member of the board of education of Granite City School District and two years as a board member of the old St. Louis school district. He cites eight years as a volunteer fireman and chief of the department.

"I am extremely interested in conserving government for the residents of the newly-formed village of Pontoon Beach."

Mrs. Nancy A. Rosales
Village Clerk
Independent
Mrs. Nancy A. Rosales, 23, of 4064 Lake drive, is a housewife.

She is a graduate of Granite City High School and is a member of the PTA.

of St. Elizabeth Catholic Church. She is seeking her first political office.

Lawrence M. Ensor
Village Trustee
Citizens' Representative Party

Lawrence M. Ensor, 48, of 4155 Highway 111, is a storeman foreman for Union Starch & Refining Co. He has a high school education and served in the Army.

"As a candidate with the Citizens' Representative Party, I am interested in a conservative form of government."

Tony "Skinny" Jackson
Village Trustee
Citizens' Representative Party
Tony "Skinny" Jackson, 54, of 3884 Lake street, has been a machinist for Shell Oil Co. He attended Granite City school.

"Having been a resident and property owner of Pontoon Beach for 18 years, I feel I can try to do my part to perfect and further the interests of the village and the residents therein."

Lester "Leck" Johnson
Village Trustee
Citizens' Representative Party

Lester "Leck" Johnson, 49, of 3853 Lake street, is a retired pensioned railroad switchman. He is a high school graduate. An area resident for 47 years, he calls for honest government and anticipates no salaried positions.

"I elected I promise to serve the people of Pontoon Village to the best of my ability."

Otto "Kotch" Kreher
Village Trustee
Citizens' Representative Party

Otto "Kotch" Kreher, 35, of 3948 Lake street, is employed in the slitting department in Granite City Steel Co. He attended St. Louis grade school and Granite City high school. He served in the Navy during world war II.

He is a member of the Pontoon Beach Church of Christ, resident and a property owner of Foreign Wars Post in the village, and as such I feel I should try to do my part to protect and further the interests of the village and residents thereof. Local 50 and a member of PTA.

2 No-Parking Zones Established By City

An ordinance establishing two no-parking zones was approved Monday night by Granite City council members for sections of 24th street and Washington avenue.

The no-parking zone on 24th street is to be on the south side, extending from Adams street to the alley west of Center street.

On Washington avenue, a 35-foot no-parking zone is to be on the east side extending north from 20th street.

FALSE PRETENSES
In some circles a promise turns out to be nothing more than a small outlay that is expected to pay large returns.

16 Union Starch Employees To Be Honored For Service

Union Starch and Refining Co. will hold its ninth annual service award dinner Saturday to recognize employees who have completed 25 or more years of continuous service with the company.

Six employees will be honored for completing 25 years of service and 10 for attaining 40 years of service. This year marks the first time that employees who started with the company at the Granite City plant have attained 40 years of service. The local facility was obtained by Union Starch in November of 1922.

To be presented gold service award pins containing three diamonds for 40 years of service are Ben L. Burnett, 2434 E. 23rd street; Robert N. Dempster, 2430 Edison avenue; Elbert M. Goodin, 2234 Illinois avenue; Ernest C. Halbert, 2330 Adams street; Walter Hunt, 2305 Calyuga street; Thomas L. Lyons, 2218 Illinois avenue; John Mika, 2001 Cottage avenue; Dewey L. Moody, 2683 East 24th street; Gilbert R. Sykes, 3012 Buxton avenue; and William R. Wilkins, 2811 N. N. street.

The 25-year employees are Virgil Bolton, 2436 Hemlock avenue; Lila Burnett, Glen Carbon; Lillian Joyce, 2002 Bryan avenue; Melvin Stroud, 2814 Calyuga street; Gilbert Thomas, 2035A Bryan avenue; and George A. Wood, 2517 Pine street.

The awards will be presented by T. R. Reed of Columbus, Ind., company president. John McBride, vice-president and plant manager, will be the master of ceremonies. C. Harris Weerts, vice-president and secretary-treasurer, also is to attend.

Revival Service Set For Temple Baptist

Revival services will be held at the Temple Baptist Church, 714 McCambridge avenue, Madison, during the weeks of March 24 through April 7. Rev. Frank Smith, pastor of First Baptist Church, Centerville, will be speaking each evening at 7:30.

The series of meetings is being conducted as a part of the Baptist Jubilee Revival effort, a cooperative endeavor among Southern Baptist Churches of the Madison County Baptist Association.

Rev. Vernon Covington, pastor at Temple, has expressed his congregation's welcome to anyone, regardless of church affiliation, to join in the services.

Special music has been planned for each service and on Friday, March 29, the "Gospelites" quartet from the First Baptist Church, Glen Carbon, will be bringing several messages in song.

Miss Lucia Plesse On Dean's List

The name of Miss Lucia Katherine Plesse, a daughter of Mr. and Mrs. Charles Plesse, 2750 Grand avenue, appears on St. Louis University for the first semester of the college year.

A graduate of the Granite City high school, Miss Plesse is a freshman in the College of Arts and Sciences and a pre-med student.

Daughter Born To Mr. and Mrs. Chas. Lewis

Mr. and Mrs. Charles Lewis, 704 Kirkpatrick Homes, are the parents of a daughter born St. Patrick's Day at Christian Welfare Hospital in East St. Louis. The baby weighed nine pounds, 14 ounces, and has been named Mary Patricia.

The couple has two other children, Stephen, four years old, and Joseph, two.

Cooperative Project

Sidewalk Along Maryville Road To School Is Proposed

A cooperative project to provide a sidewalk along Maryville road for Nameoki area youngsters attending Maryville elementary school was recommended at Monday night's Granite City council session by Eighth Ward Alderman Ford Johnson.

He suggested the mayor appoint a council committee and arrange a meeting with officials of the Granite City school district and Nameoki township to determine if such a project could be financed jointly.

Johnson said youngsters of all ages are forced to walk in the roadway, not only endangered by traffic, but that in inclement weather they are splashed with muddy water by passing vehicles. He said several complaints were made Monday by parents.

The sidewalk would be five or six blocks long on city, township and school property, Johnson explained, adding that it would not be an impossible task for a cooperative project.

Alderman Mrs. Gabrielle Bettine pointed out the project would have to be included in

4 Bids For GC Police Autos Under Study

Four bids received for five new police patrol autos were opened Monday night by Alderman Frank Vesel, chairman of the Police committee, who said his committee will present a recommendation to the council at the next session.

The apparent low bidder was Mathews Chevrolet Co. with a total of \$5616 for the five autos. Other bids were \$6882 for five Plymouths by Elledge Motor Co., \$6689 for five Ramblers by Brewer Motor Co., and \$7124 for five Dodges by Farrington Motor Co.

Vesel said all bids will be studied to determine if they meet specifications set forth by the city.

The city is to trade in four 1962 Chevrolts and a 1957 Ford that has been used by the inspection department and police department.

Training Programs Set For Handicapped Veterans

Many veterans who served in the armed forces after Dec. 31, 1946, and before June 27, 1950, and after Jan. 31, 1955, are eligible for vocational training if they have a service-connected disability. Joseph D. Wetton, secretary of the Illinois Veterans Commission, announced today.

In most cases, the disability must be rated at 30 per cent or more and there must be a need of rehabilitation.

A veteran could have up to four years of training to be fully rehabilitated, and he would receive the necessary tools, equipment and instructions. Veterans may obtain further information on the program by contacting the IVC office in the Granite City hall from 8:30 a.m. to 5 p.m. Mondays through Fridays.

GCBS Band To Present 4th Concert This Evening

The fourth and final concert of the season will be given at 8 o'clock this evening by the Granite City high school 120-piece band under the direction of Louis Meek. The concert will be given in the senior high school auditorium.

The McKinley division elementary band, directed by Frank Meyer, will be guests, and the 80 pupils will play the first three numbers on the program. As an added attraction, three

high school ensembles that won superior ratings in last week's district band contest will play selections.

A flute quartet composed of Debbie Spangler, Jim LeGrand, Sandra Parker and Judy Stegelmeyer, will play "Sinfonia" while a brass sextet will play Beethoven's "Allegro" from "The Sixth Symphony." Members of the sextet are Kenneth Wille, cornet; David Toth, cornet; Richard Hahn, French horn; Terry Van, trombone; Kent Po-

tillo, baritone, and Ronald Boyer, tuba.

A "Suite for Four Clarinets" will be played by Diana Ferguson, Donna Cox, Kay Reinhardt and Gloria Caban.

The numbers by the McKinley division band will be Concorde March, Pilgrimage Overture and Tugboat.

The senior high school band selections will be My Hero, concert march; Finale from the New World Symphony, Overture to Die Fledermaus, Old Comrades and I'll See You Again. The program is scheduled for one hour and 20 minutes.

Contentment may be a virtue, but certain death to enterprise.

New Locations For Two Venice Township Polls

Precinct 10 voting will take place at the Justice residence, 2632 Logan avenue, and Precinct 11 voting at the Young residence, 107 Weaver street, Venice Town Clerk Thomas W. Foley announced this week.

The ten other polls for the April 2 township voting will be at their past locations. Assistant Supervisor Claude Echols and Highway Commissioner Frank Kimack are unopposed for reelection.

Deal in futures—to get ahead a man must look forward, always.

Marshall School PTA Plans Third Western Fete

Plans for the third Western Jamboree to be held Friday and Saturday at the Rose Bowl were made Monday evening at a meeting of the Marshall school PTA. Tickets for the affair to take place at the school are 55 cents for adults and 35 cents for children. Entertainment will include the Kitchen Band, the King Davis trio and other musical numbers. Gene Ross will serve as master of ceremonies and home-made cakes and pies will be on sale after the program.

Edward Gowan presided at the meeting, and the newly-elected officers were installed by the school principal, Miss Mary Hopkins. They are Chester Swickel, president; Mrs. Dorothy Lichner, vice-president; Mrs. Pauline Lybarger, secretary; Mrs. Rose Steuber, treasurer; and Mrs. Mammie Cassa, historian.

A film entitled "A Friend for Carol" was shown; the Park District Flyers under the direction of Mrs. Gloria Bieniecki and Mrs. Kitty Kuhlmann, entertained with tumbling acts and a Girl Scout program was given by a representative from the Edwardsville office who discussed the history of Souting.

Refreshments were served by the second grade mothers, and the attendance banner went to Miss Maynard's second grade room.

Past Matrons Elect Officers

The annual election of officers of the Past Matrons Club of New Hope Chapter 432, Order of Eastern Star, was held Monday evening at a meeting in the home of Mrs. Amalia Jung, 2404 East 24th street.

Those named were Mrs. Louise Cook, president; Mrs. Thelma Johnson, vice-president; and Miss Faye Mische, secretary-treasurer.

Mrs. Charlotte Rae Rapp, the retiring president, conducted the meeting and prizes were awarded to Mrs. Mary Connole, Mrs. Alice Brown, Mrs. Elnora Barr and Mrs. Gladys Fisk.

A dessert course was served by the hostesses. Other present were Mrs. Lou Anderson, Mrs. Cook, Mrs. Johnson, Mrs. Sophie Parker, Mrs. Rapp, Mrs. Mary Taylor and Miss Anna Wilcox of the club, and one guest, Mrs. Helen Merz, worthy matron.

Mrs. Elizabeth Jones will entertain the club at the April meeting.

Pythian Sisters Past Chiefs Meet

The Past Chiefs' Association of Pythian Sisters met Monday afternoon with Mrs. Grace Backus, 324 Broadway, Venice. Luncheon was served to nine members. Mrs. Leola Arbogast, president, conducted the business session during which the discussion centered around plans for a pillow case social to be held April 9 at the IOOF hall.

The remainder of the time was devoted to games with awards going to Mrs. Arbogast, Mrs. Eleanor Foster, Mrs. Nettie Conway, Mrs. Christine Barron and Mrs. Martha Montague.

The club will meet again April 15 with Mrs. Barron at 2143 Delmar avenue.

Noonday Opti-Mrs. Club Meets

The Noonday Opti-Mrs. Club met Monday at the Rose Bowl with the newly-elected officers in charge. Mrs. John Wilson presided.

Luncheon was served at 1 o'clock and hostesses for the day were Mrs. Maurice Dailey, Mrs. Hugh Brenninkmeyer, Mrs. Hughes Blake, Mrs. E. A. Branding and Mrs. Elmer Branding. Twenty-four members attended, and after a short discussion relating to business there were card games with awards going to Mrs. Victor Anderson, Mrs. Muri Jennings, Mrs. J. Wallace Wyman, Mrs. Sam Meyer and Mrs. Wilson.

ATTENDS WEDDING OF NEPHEW

Mrs. F. G. Stephens, 2017 Madison avenue, returned Monday evening from Chicago where she attended the wedding Saturday afternoon of her nephew, Dr. Joseph O. Sherman, and Miss June Martin, of Michigan.

The ceremony took place in Joseph Boyd Chapel on the campus of Chicago University and a reception followed at Hotel Windmere.

Dr. Sherman was graduated last June from Northwestern University Medical School and is serving his internship at Passavant Hospital. His bride is a graduate nurse.

In Jarman shoes
you are
two feet deep in comfort

Every shoe can claim its shoes provide comfort, at once, but the proof is in the wearing. We therefore invite you to test any pair of our Jarman. We know they will give full satisfaction, because each Jarman pattern is carefully "wear-tested" for comfort before ever being produced and offered for sale. The particular Jarman shown here and only put two feet deep in comfort, but right to style on well.

Youth Committee Plans Scholarship Tag Days

The annual Youth Committee Scholarship fund drive will be held May 3-4 in Granite City. Tags will be sold on the streets by youth groups to raise money for the Granite City Scholarship Foundation.

The foundation provides scholarships for deserving students of Granite City high school. Last year the Youth Committee raised \$1305 in the tag days and it hopes to do as well again this year. Thirteen thousand tags have been ordered for the occasion.

Since scholarships are awarded to the youth of Granite City, youth groups believe it fitting that they spearhead the fund drive. Several YMCA junior and senior clubs already have taken the initiative and begun to organize the campaign.

Volunteer Workers Sought
All youth groups in the Granite City school district are being contacted and invited to join Groups wishing to volunteer their services may do so by calling Mrs. David Thompson at TR 7-4912.

Members of the committee met Monday at the YMCA to organize the drive.

Those on the committee are Allan Jones, president of the scholarship foundation; Mrs. Virginia Rickert, tag day coordinator; Robert Spengler, foundation treasurer; Mrs. Betty Thompson.

PLAN CORONATION, EASTER SERVICES
The Training Union held a monthly executive and planning meeting Tuesday evening at Second Baptist Church. Melvin Leale, associate director, was in charge and opened the meeting with prayer. Reports were submitted and plans were made for a rally to begin World Missions Week in April.

Study books were reviewed and the group discussed Easter sunrise services at Triangle Park, with the Training Union in charge of arrangements. Final plans were made for a coronation program this evening, when a king, queen, prince and princess of the Training Union will be crowned. Most departments of the church will be represented at the 7:30 program, which will be followed by refreshments and fellowship.

Plans were made for revival services March 25-April 7. How- Wigger offered closing prayer. Others present included Mrs. Helen Wigger, Miss Nancy Wigger, Miss Cary Wigger, Mrs. Richard Miller, Ken Hart, Mrs. Betty Lewis, Gail Lewis and Connie Wigger.

2 Gas Stations In GC Visited By Burglars

The DX service station of William Crouch at 1420 State street was entered Monday night. Entry was made by breaking a pane of glass at the rear of the station. The thief stole a box of five-cent bags of peanuts, \$2 in pennies and seven cans of motor oil, police said.

The same night, the service station operated by Vladimir Pryzbylo, 718 Niedringhaus avenue, was visited by burglars. A glass section was broken out of the door. Nothing was reported missing.

Workman Suffers Minor Injuries In Plant Fall

Robert Edwards, 33, of Marine, suffered minor injuries in a 15-foot fall from a scaffold Monday at the blast furnace division of Granite City Steel Co.

Edwards, an employee of McKee Construction Co. at the plant, was taken to St. Elizabeth Hospital for x-rays to his back and both knees and was released on Tuesday.

Mrs. Wortman To Head New County GOP Women Group

The Granite City Republican Women's Club was hostess to a county meeting Monday at the Smorgasbord.

Representatives of seven other clubs in the district were present at the meeting, the purpose of which was to form a Madison County Federation of Republican Women's Clubs.

Officers elected were Mrs. Vernice Wortman, Granite City, president; Mrs. Marilyn Kypta, Collinsville, first vice-president; Mrs. Pauline Miller, Edwardsville, second vice-president; Mrs. Neola Faus, Troy, third vice-

Faithful Workers Discuss Leprosy

The Faithful Workers Missionary Society of Graeceland General Baptist Church, 20th and Russell streets, met Monday evening at the church.

Mrs. Alma Berong opened the meeting and presided. Plans were made for a number of projects and a love gift devotional service was conducted by Mrs. Bartlett Dier.

A round table discussion on "The Cause, Care and Cure of Leprosy" was conducted by Mrs. Dorothy Moore and members of the Girls Guild sang a hymn. Mrs. Elena Chast, spiritual life chairman, gave the lesson and Mrs. Berong closed the meeting with prayer.

A surprise birthday party was held later in honor of Mrs. Avery Morris, wife of the pastor, and refreshments were served to 17 members, one guest, and the girls of the Guild.

RETURN FROM FLORIDA

Dr. and Mrs. G. E. Halyama are at home again after a vacation in Florida. They returned Monday evening. While away they were in Fort Lauderdale where Dr. Halyama attended a scientific course sponsored by the Mayo Hospital in Rochester and visited friends, among them a number of former Granite Cityans. The remainder of the time was spent with relatives of Mrs. Halyama in Daytona Beach.

ATTEND CONFERENCE

Rev. David H. Maxton, pastor of First United Presbyterian Church, is in Milwaukee, Wis., to attend a two-day church and ministers conference. He will return Friday evening.

HOME FROM SIU

Miss Cecelia Markuly, daughter of Mr. and Mrs. Alex Markuly of Madison, is at home from Southern Illinois University, Carbondale, to spend a short vacation with her parents.

Pack 18 Holds Ceremony, Race

Pack 18, Cub Scouts, held a monthly meeting, awards ceremony and Pinewood Derby Monday evening in the basement of Sacred Heart school.

The flag ceremony was conducted by Den Two, and Cubmaster Kenneth Wood explained the theme of the month, "Around the USA," stressing Americans must not be "litterbugs."

The boys receiving awards at the meeting were Richard Antoff, David Pieper, Richard Riess, Joe Lanahan, Robert Gaughan, Patrick Forsy, Tim Sheridan, Wilber Bronnauer, Phillip Sheridan, Bob Joshi, Mike Hoeller, Albert Noud, Alan Pieper, Ray Hoffman, Howard Daugherty, Steve Piechacinski, and Ray Stock.

In the Derby the boys raced their cars which they had made with the help of their fathers and each Den took part separately to determine the Den champions. The boys later raced each other for Pack winners. First place winner was Mike Stephens, Jim Ahlers was second, and Ray Stock, third. Bill McGrath received an award for the best designed car. Refreshments were served by Den Six.

Daylight saving time is still more than a month away, although a number of Quad-Cityans have indicated they are ready.
The fast summer time, which gives one added hour of daylight, begins each year on the last Sunday of April (April 28 this year) and continues until the last Sunday in October.

\$9287 Bill List OK'd By Council Members

A \$9287 bill list was approved Monday night by Granite City council members with the largest single item a payment of \$4337 from arterial street funds to City Engineer David J. Johnston for work on four motor fuel tax street projects.

Johnston also was paid his regular monthly retainer of \$416 for February engineering services to the city.
Also on the bill list was final payment of \$720 to G. H. Sternberg & Co., due on last year's track removal project along 19th street. It was explained the amount was part of the original \$13,344 contract, and not the added charge the firm is seeking through court action, claiming the city did not provide proper specifications.

Other items included payments of \$186 to Granite City Realty Co. for insurance on street vehicles, \$62 to Lybarger Material Co. for rent of storage property along Adams street and rock and cement, \$93 to M. H. Rhodes, Inc., to repair 32 parking meter movements, \$242 to Tri-City Lumber Co. for materials for civil defense.
Allowances on the bill list were \$100 for Civil Defense Director Victor Koenig, \$100 to Police Officer Frank Harris for competition in a Police Pistol Tournament at Tampa, Fla.; \$72 for Mayor Davis and former City Atty. John Giffith and \$60 for Alderman Bartosiek for expense during February and March.

GC Township Bills And Relief Costs—\$10,151

Relief and town fund disbursements totaling \$10,151 were approved Monday night by Granite City council members in their capacity as the town board of auditors. Of the total, \$2322 was for relief and \$1919 for town purposes.

Relief expenditures included \$2087 for food, \$2049 for medical care and hospitalization, \$413 for fuel and \$247 for rent. Relief administrative costs were \$25 for caseworker travel, \$614 for half-month salaries for office employees, \$98 contribution for the Illinois Municipal Retirement Fund, \$45 for janitor service and \$53 for telephone service at the supervisors' office.

Town fund disbursements were \$162 half-month salary and \$50 travel allowance for Supervisor Nelson Hagnauer, \$300 half-month salary and \$50 travel for Assessor Von Dee Cruise; \$220 half-month salary for Chief Deputy Assessor Margaret Hornberger; \$100 monthly salary for Town Atty. George J. Moran, \$20 per diem for Town Clerk A. L. Stevens, \$348 for three deputy assessors and \$555 surety bond for the supervisor.
Assessor office expenditures were \$8 for janitor service; \$25 for supplies for office supplies and \$15 for an appraiser's manual.

Deadline Date Nears For Income Tax Filing

Taxpayers have only 25 days more in which to file their federal income tax returns. The deadline is April 15.

Persons desiring assistance in the preparation of returns may visit the city hall in Granite City any Friday from 9 a.m. to 4 p.m. through April 12 or on the last day for filing, Internal Revenue Service agents will be on hand in the council room on the second floor. Telephone assistance is not available at the Granite City location.

House Committee Puts 'Do Pass' On FEPC Bill

(Special from Springfield)
The House executive committee has voted "do pass" for a bill which would extend jurisdiction of the FEPC to employers of 10 or more. Presently, FEPC has jurisdiction only over employers with 75 or more employees and on Jan. 1, 1965, will have jurisdiction over employers with 30 or more.

The FEPC bill has a good chance of being voted out of the House, but the Senate, especially with new curbs which may be placed on the president which will also be designed to contain the Democratic minority, too, might well table the bill immediately.
Similar action could be taken in the upper house on another House bill which got a "do pass" recommendation. The House Industry and Labor Relations Committee introduced a bill to establish a \$1 hourly minimum wage, but then voted it out and advanced it to second reading, where it may be considered this week.

Seeks Cut In General Assembly
Meantime, in the House, one legislator apparently thinks a resolution which would let voters decide that issue on a Blue Ballot in the November, 1964, general election. His resolution would reduce the membership of the House from 177 to 153 and the Senate, from 58 to 51.
The House must be reappointed this year, and if the resolution is done strictly on a shift in population, the city of Chicago could lose six seats.

House Legislation
Another bill to eliminate mail order courses for practical nurses and one which would compress the three-year course for registered nurses into a two-year junior college course, got a "do pass" recommendation from the House executive committee.

The bill has the support of the Illinois Nurses Association, the Illinois State Medical Society, the Illinois Hospital Association, the Licensed Practical Nurse Association of Illinois, the Illinois Conference of Catholic Schools of Nurses, the Committee of Nurse Examiners and the State Department of Mental Health.
It also would require all practical nurses to be licensed by the state. Opposition was heard principally from representatives of correspondence schools. Proponents of the bill told the committee there are 65 such programs now established in other states.
They indicated similar programs could be established in junior colleges throughout Illinois, none of which would replace present schools of nursing, but all of which would supplement those. As an adjunct to the junior college two-year course in nursing, it was suggested that graduates could then serve a year of internship as a nurse in a hospital.

Rep. Joseph Hale (R-Shawneetown) was one of several co-sponsors on judicial reform bills in the House of the General Assembly. They were among the first large batch of such bills to be submitted to the House. Chief author on the proposals was Rep. Robert Burhans (R-Peria), chairman of the special House Judicial Reform Committee.
One of the Burhans-Hale bills provides for a new Second Appellate court building at Ottawa. The measure declares it would be in the public interest to construct such a building. The second appellate court district is divided into two sections for the convenience of attorneys and litigants in the populous northern Illinois area. Other proposals in the Burhans-Hale series included:
Provides annual \$22,500 salaries for Cook county associate judges with the state paying \$19,500 and Cook county an additional \$3000; makes provision for per diem payment for judges assigned to another court than that of their own; nullifies salary increases for municipal judges after March 1, 1963, unless such judges actually were receiving an increased salary prior to effective date of the act.
Require clerks of all courts and other officers to comply with requests of the State Supreme Court for information relative to docket and business transacted by the courts and provide vacancies in associate judgeships shall not be filled in downstate unless there is no requesting judge in a county where a vacancy occurs.
Another proposal to broaden teaching courses at Southern Illinois University, Carbondale, was offered in the Senate. Sponsors included Sen. Dixon, Dwight (R-Carbondale); Sen. Gilbert (R-Carbondale); Gordon Kerr (R-Brookport); Paul Broyles (R-Mt. Vernon); Paul Ziegler (R-Carmel); Mrs. Madge Green (R-Palestine); William Grindle (D-Herrin); William Lyons (D-Gillespie).
The measure, which had Sen. Friedrich as the principal sponsor, would amend the Southern Illinois University Act to eliminate a provision that no professional courses culminating in degrees in law, medicine, dentistry or pharmacy may be offered. Southern Illinois already has authority to issue degrees in engineering and agriculture.
A similar House proposal offered earlier in the session would permit the Carbondale school to issue degrees for the four professions. It was introduced by Rep. Leland Kennedy (D-Alton); Sen. D. Harris (D-Granite City); and Ralph Smith. Representative Kennedy said at the time of its introduction it had the support of SU President, Deltry Morris.
Sen. Kerr, Broyles, Friedrich and Gilbert were co-sponsors of a bill with Sen. Donald D. Carpenter (R-East Moline) which would implement the new judicial reform article to provide for election of three new supreme court justices from Cook county by establishing three separate districts, one on the north side of Chicago, one on the south side and another taking in Chicago's suburban towns.

Blanket Approval-Given For Candidate Parades

Blanket authorization for candidate parades in Granite City prior to the April 2 election was granted Monday night by council members with the provision the candidates notify Police Chief Raymond Willardt at least 24 hours in advance.

The initial request was submitted to G. H. Sternberg, local contractor, who is seeking the Seventh Ward aldermanic post. He plans a parade of about 12 autos, one equipped with a loud-speaker.

Council members pointed out each parade must be supervised by police.

SIXTH WARD VOTERS:

This is to announce my personal endorsement of Kenneth S. Harbarger for Alderman in the Sixth Ward. I am personally acquainted with Mr. Harbarger and have known him for a number of years — and I can wholeheartedly recommend him to you as the top choice for the job.

If we are ever to beat the machine, now is the time to do it by voting for Ken Harbarger on April 2.

3rd Floor Medical Section Boosts Hospital Capacity

Opening the third floor to medical patients has allowed St. Elizabeth Hospital to care for an average of 28 more patients a day since early December, the hospital reported this week.

The third floor of the new wing, formerly restricted to obstetrics, was opened to medical patients when the maternity department was moved temporarily into the old wing on the same floor.

The move was made to make additional room for medical patients during the heavy outbreak of flu in the community. It is to be closed to medical patients again if the patient load drops. A hospital official said the decision to open the floor to medical patients was made only after careful deliberation by the hospital and medical staff. Those admitted to the floor are not acutely ill, he emphasized.

The short space of time the third floor medical section has been open," the official said, "225 patients have been admitted to its service. These are patients who previously would have been placed on the waiting list or sent to other hospitals at the inconvenience of both the patients and their families."

The old wing section now housing the maternity ward was completely redecorated before the change was made.

Cathy Jung Wins Place

Cathy Jung of Peaslee Junior high school won a first place rating for her alto saxophone solo at Triad high school. Her name was omitted from the list of winners which was published previously.

Scholarship Requests Are Due By April 23

Applications for Granite City Scholarship Foundation scholarships are being accepted at Granite City high school by Miss Frances Lynch, librarian, and Roy McKinney, counselor.

Initial applications for 1963-64 grants must be submitted by Tuesday, April 23, and all letters of recommendation and other information must be received by Wednesday, May 1, it was announced.

Those eligible to apply are GCHS graduates and all prospective graduates.

Members of both the January 1963 and June 1963 classes are eligible to apply for first-year university scholarships, on which primary emphasis is placed by the foundation. Consideration also will be given to scholarship aid beyond the first year of college.

The annual financial drive of the foundation began last week under the leadership of Anthony Trede, finance committee chairman. Allen Jensen is president.

Gallery Featuring Work of Artists From This Area

The Richeleur Art Gallery, 1831 Delmar avenue, opened its second exhibit this week by featuring work of four local area artists.

Brenda Norwood Dusek, 925th Washington avenue, Madison, is showing oil paintings done in a surrealist manner. An art major while at Granite City high school, Mrs. Dusek has painted for nine years. She has been represented in numerous exhibits and has won various prizes. She paints in a highly individual style and one of her favorite subjects is the circus clown.

Aileen Naglich, 2345 Clark avenue, is a seascape painter — ocean scenes, ships of all kinds and sailboats. These are usually done in oils, but she also has some pen and ink drawings on display. She is a self-taught artist and sometimes spends hours in the Granite City library doing research for a ship painting.

Pat Robinson, 2809 Marshall avenue, has 10 paintings in the exhibit; they include landscape scenes done in and around Granite City. Still life paintings in oil on burlap and two of people make a versatile entry by Mrs. Robinson. She is a student of Eugene Alami during her high school attendance and has painted for eight years.

Steve Wright, Collinsville, is a veteran artist of 18 years. He is an experienced water-colorist, and has shown work all over the U. S. He has on display work done on a recent trip to New Orleans. He is a commercial artist and attended art schools in Des Moines, Ia.

There is no admission to the gallery, and the public is being invited to see the work done by the artists. The gallery is open from 9 a.m. to 5 p.m. Monday day, when it is open until 8:30 p.m.

Six Ford Salesmen To Be Honored At Banquet

Six salesmen at B. E. Hohlt, Inc., are eligible to attend the "honorary banquet" to be held Saturday in the Chaucer Room at the Chase-Park Plaza Hotel for excelling in sales of new and used autos and trucks.

They are Carl Lewis, 2416 Glen place; Bobbie George, 2824 Birch avenue; Ted Dinkler, 1628 Maple street; Jim Parker, 2428 Iowa street; E. Baker, Maryville, and Glen Barbeau, Cahokia.

REV. PAUL CREWS, pastor of Grandview Baptist Church, St. Louis, who will be evangelist for revival services from Monday evening, Mar. 25, to April 7 in Second Baptist Church. He will be assisted by his minister of music, John Lee, who will lead the singing and direct a children's choir. Special music is planned for each evening.

GC Magistrate Collects \$2419 in February

Fines and costs collected during February by Police Magistrate Gasparovic and turned over to the city amounted to \$2419, it was reported to the council Monday evening.

Of the total, \$1230 in fines and \$813 costs were from city cases, \$81 fines and \$40 costs from state cases and \$255 costs from county cases.

Ruling On County Fund For Animals Injured By Dogs

A person living in an Illinois city is entitled to participate in the county dog license fund for animals injured by dogs, Illinois General William G. Clark says in a new legal opinion announced this week.

Other new rulings are that: A county treasurer is not authorized to distribute taxes paid under protest.

A sheriff who also serves as county director of civil defense may receive the salary provided by law for both offices.

The offices of aderman and a member of a park district board are incompatible.

A person may serve both as township auditor and as a city councilman if he has sufficient time to faithfully perform the duties of both offices.

Skip the sulphur and molasses—get a CHEVROLET SUPER SPORT

Chevrolet Super Sports* have a charm that soothes your springtime yen for romantic adventure as fast as you can slip into a bucket seat. (Especially the Impala's, with its adjustable new Comfort steering wheel*). Front bucket seats are a great start, but Super Sports also feature plush all-vinyl interiors, special interior-exterior trim in tasteful touches, and a veritable feast of goodies we call performance options*. Chevrolet and Chevy II Super Sports invite adventure in convertible or coupe form. That same Super

Sport sing applies to the Corvair Monza Spyder, very breezy with its air-cooled 160-horsepower rear-mounted engine, and 4-speed shift*. Ditto for the new Corvette Sting Ray, a magnificent thoroughbred among pure-blood sports cars with not a single sacrifice in comfort. Both Spyder and Sting Ray come in coupe or convertible styles. All Chevrolet Super Sports are like spring days—you've got to get out in them to savor them. So catch yourself a passing zephyr and wait on down to your Chevrolet showroom.

*Optional at extra cost.

Models shown clockwise: Corvair Monza Spyder, Corvair Monza, Chevrolet Impala Super Sport, Chevrolet Chevy II Nova 400 Super Sport, Chevrolet Corvair. Center: Soap Box Derby Racer, built by All-American boys.
